STANSBURY PROGRESS ASSOCIATION INCORPORATED

Welcome 2022!

The 2021 festive season has been challenging for so many, but we do hope that everyone enjoyed special and memorable times with their family and friends over Christmas, New Year and the school holidays.

Our town has been full this past month with visitors enjoying the sun, sea and sights of Stansbury and the Southern Yorke Peninsula. We trust that you've enjoyed your visit here with us.

Welcome to our next wave of visitors who are mostly regulars coming back to Stansbury each year and staying for several weeks in the Caravan Park to enjoy the warmer, calmer weather that February and March will hopefully deliver.

We held two markets during December – December 11 and New Year's Eve. Both were very well supported by stallholders, with over 60 individual stalls at each market. The weather has proven a bit of a challenge this season, but although New Year's Eve was a hot one, there was still a steady stream of holiday makers and locals which made it a great success.

It was also fantastic to see the return of the Stansbury Fireworks after their cancellation in 2020. For those of us lucky enough to see them, the display was nothing short of spectacular.

Our January 22 market was unfortunately cancelled due to strong winds making set up of marquees and stalls virtually impossible. It was such a disappointment to all concerned. We are hoping that our next market scheduled for March 12 will see a bright, calm and warm day! The Stansbury Museum will be holding their annual raffle at the March market, so please come out and support our wonderful Museum volunteers and buy a ticket or two.

The first half of the season has had our volunteers working overtime in often uncertain times. Thank you to all the volunteers who help set up, pack up and cook at our markets ... you are amazing!

Congratulations!

Congratulations to Di Forrest who was the winner of the 2021 Christmas Lights Competition which was randomly drawn the week prior to Christmas. You certainly did light up Stansbury over the holiday season Di! A big well done to those who took the time to put up lights and decorations on their property over the Christmas and New Year season – it gave the town a very festive feel.

Progress News Cont...

Thank You!

A big thank you to Peta and the Stansbury IGA for their donation towards the lollies that were distributed during the annual Christmas Eve Parade. It's a great tradition that continues because of people and businesses like Peta and the IGA.

Citizen of the Year.

One of the most important events for Stansbury in January is the presentation of the annual Citizen of the Year. This award was presented at the Australia Day Morning Tea which was organised by the Lions Club of Stansbury Dalrymple and supported by the Stansbury Progress Association. The Stansbury Citizen of the Year honour goes to a person who has been nominated (among others) by a member or members of the community. The award recipient is then chosen based on the information provided through the nominations by delegates from both the Lions Club and Progress Association.

Together with the Lions Club of Dalrymple, the Progress Association is happy to announce that the winner of the 2022 Stansbury Citizen of the Year is Joan Elliott (posthumously). Joan sadly left us last year but her work throughout the community in her lifetime has been truly amazing. Just one aspect of her service was her 25 year tenure as Editor of the Stansbury Scribble. She was such a wonderful community person who loved Stansbury and she has been sadly missed. Her husband John proudly accepted the award on her behalf. Congratulations.

Street Banners.

The Progress Association is currently having a series of street banners produced for the light poles along the foreshore. You might have seen the Season's Greetings banners which have been up since before Christmas in your wanders around town and along the beachfront. In the coming months, you'll see other banners depicting life in our town. Well done to Progress and Graham Klose, the banners look terrific and are a great addition to the foreshore area.

Keep safe everyone!

Recycling:

NEPRESSO: Many of you will have a Nespresso coffee pod machine at home, in your caravan or holiday home. The used pods are recyclable and the Visitor Centre has a box to put them in. **Only the Nespresso brand pods can be collected for recycling.** The reason for this is that they are made entirely from Aluminium (unlike some other brands, apparently). You can collect your pods in any sort of container, which can be placed in the box, but when you order or purchase your next coffee pods, check out the recycling bag available from Nespresso.

The white plastic cube in the yard at the side of the Centre is for you to place any dry, flat-packed newspapers, cardboard (secured with string) etc. for recycling. If the container is full, please leave your paper bundles under the shelter.

Soft plastics can also be placed in the container, but it is important that these are **clean and appropriately packed**, or this service will be discontinued. It is important to recycle as much as we can to reduce the amount of rubbish going into landfill so if you are unable to deliver your papers to the yard, please place in your yellow recycling bin

Please note that our Centre does not have a facility for bottles and cans.

Stansbury has a bottle and can recycling depot - "Stansbury Recycling" - for all your refundable items and glass bottles. Alternatively, they can be placed in the "cages" dotted around town and the blue and yellow bins in the Caravan Parks, the proceeds of which are distributed to those community groups and sporting clubs who participate in the collection.

The Visitor Information Centre has a "Planet Ark" recycling box for all your used printer cartridges as well as a container for recycling the following items:

Please note that we no longer accept plastic screw lids or any Colgate products.

We will still be able to recycle:

- The little plastic bread bag sealers.
- Aluminium can pull tabs.
- All blister packs
- Used biros – no ink.

A limited number of the "Scribble" is printed and made available from the town businesses and the Visitor Centre. For those who prefer, it is available to read online at www.stansburysa.com or, if you miss out and don't have internet access, you can always come into the Visitor Information Centre and pick up a copy. You can also be added to the list to receive your copy via email, just contact Diana to provide your details.

THIS IS IMPORTANT

PLEASE TAKE NOTE OF THE FOLLOWING:

In the event of cardiac arrest, emergency defibrillators are available in the following locations:

- Foreshore Caravan Park, on the outside wall of the office to the left of the door.
- Oyster Point Drive Caravan Park, on the outside of the small, red brick building adjacent to the entrance to the park.
- Stansbury Pharmacy, on the outside, eastern wall.
- Stansbury Bowling Club, on the club house wall, facing the greens.
- Stansbury Golf Club, on the front veranda of the club rooms.

These are automated and instructions are provided so please don't be afraid to use one. *You could save a life!*

There are easy to follow directions at the centre so please always refer to these sheets if you are unsure of anything.

There is an updated 2022 covid advice on the notice board at the info centre – please take note. Things sometimes change without much warning, so please always check for latest covid or other info on the notice board.

STANSBURY COMMUNITY CHURCH

We meet every Sunday from 10:00 a.m. for a 10:30 worship service to sing and to learn about God and how He is relevant to our lives today.

So, if you're in over your head today, pray this: **'Father, You said no weapon formed against me shall prosper (see Isaiah 54:17). I can't keep the enemy's weapons from being formed, but I know You will keep them from prevailing against me. You said if I ask anything according to Your will, You will grant my request (see 1 John 5:14–15). You said when I walk in obedience, I will be blessed when I come in, when I go out, when I lie down, and when I get up (see Deuteronomy 28:6; Psalms 1:1; 3:5). You told me to turn all my troubles over to You and You will take care of me (see 1 Peter 5:7). So here they are! Today I'm standing on Your promises. You said it! I believe it! That settles it! Amen.'**

Thank you to the Stansbury community for supporting the Australia Day Morning Tea. Due to current COVID restrictions, the revised format became the best option.

With some financial support from Stansbury Progress, we were able to make this a free event with donations and raffle proceeds going to the RFDS. Proceeds from the day amounted to \$868.

The three raffle prizes were won by A Spry from Aberfoyle Park, R Duncan and V Johnson from Stansbury. Thank you Lyn Gates for the work in preparing these prizes.

The Stansbury Citizen of the Year was awarded to Joan Elliott (posthumous) and was accepted by her husband John Elliott. A fine tribute to the huge amount of work done for the Stansbury community during her life.

STANSBURY MUSEUM

Rowena Smith

Witnessing all the activity of the recent grain harvest on the Peninsula made me think of the hard work of our farmers and their families. It also got me thinking about their forebears and the challenges they faced to exist and succeed. So often, successful farming is and was a true partnership of a husband and wife. As well as celebrating our farmers, the museum acknowledges and celebrates the contribution of women on the farm.

The museum has a copy of a fascinating, hand written, historical account written in 1980 by a Stansbury local, Hazel Colwell (nee Bowman).

The original is in the Mortlock Library (ref D6679) due to its significance as a historical record and social commentary on life in the early days of country South Australia. It documents the experiences over the years of Hazel and her family who began farming from the early 1900s about 7 ½ miles (12 km) from Stansbury.

Hazel describes her mother's life on the farm as a young wife and mother.

Prior to her marriage, her mother was a music and singing teacher in Kadina which even at that time was considered a large country town.

Contrast this young woman with Hazel's account of her mother helping her husband to do some repairs to their well on the farm to save paying someone else to do them. Her mother had to lower her husband down the well in a bucket. In the midst of the repair, her husband accidentally tipped out of the bucket and ended up on the bottom of the well. She never understood how she got the strength to haul her husband and the bucket filled with water, to the top.

Hazel also says that if her mother wanted meat for dinner, she had to go outside to the tree in the yard where a carcass was suspended using a pulley system, let it down, cut off the piece she wanted and chop it with a tomahawk.

Both Hazel and her mother helped round up the sheep and were very busy during shearing. She recalls both her parents being out before daylight picking fruit before their day's work on the farm began. Her mother taught music to supplement the farm income at times, just as some farmers wives do today.

The museum shines light on the life of men and women and children and their many roles on the farms, in their homes and in the community.

Come to the museum and discover our interesting past that has laid the foundation for our community today.
