STANSBURY PROGRESS ASSOCIATION INCORPORATED

With the sun sinking on a cooler and wetter than average summer, we can hopefully look forward to a warm start to Autumn. This is the best time of year for those beautiful days and lovely balmy evenings when the Bay is like a millpond, and locals and visitors can enjoy some beautiful weather, outdoor dining and quality time with family and friends.

Speaking of visitors - welcome to all our regular and new travellers – it's great to see so many of you getting out and about and enjoying our little corner of the world.

Don't forget that we've got the second last of our 2021-2022 Seaside Markets scheduled for 12 March from 9am to 1pm. We have over 60 stallholders and the market promises to be colourful and have something for everyone. The Stansbury Museum will be holding their annual raffle, so please come along, support our market, all the local stallholders, and grab yourself a raffle ticket or two!

Our last market for the season will be the Easter Saturday market on Saturday 16 April from 9am to 2pm. This is our biggest market of the year so if you haven't already booked, get in quick and sort your accommodation and enjoy all the Easter festivities here with us at Stansbury.

Sadly, it was with great disappointment that the Saltwater Classic Organising Committee made the decision to cancel the Wooden Boat Regatta event planned for 2 and 3 April 2022. This was based on several factors, but mainly the requirement to comply with a Covid Management Plan and the lack of participants willing to commit to attend the event due to the ongoing uncertainty of Covid restrictions. These factors made the Organising Committee's planning very difficult and the outcome unpredictable. As a result of the event cancellation, the scheduled supporting Seaside Market which was to be held on Saturday 2 April has also been cancelled.

Street Banners.

Another in our series of street banners has been installed around town – this time promoting the Seaside Markets - which are an icon of Stansbury and the Southern Yorke Peninsula. We hope everyone's enjoying the colour and festive vibe the banners are giving our community.

Volunteers Needed – WorkZone Management – Stansbury Seaside Markets. Calling for interested members of the community to assist our current volunteers in the set up and dismantling of road closures on Market Days. Training will be provided. If you would be interested in finding out more, please contact Diana at the Stansbury Visitors' Centre by emailing tourism@stansbury.com.au or calling 8852 4577.

Recycling:

NEPRESSO: Many of you will have a Nespresso coffee pod machine at home, in your caravan or holiday home. The used pods are recyclable and the Visitor Centre has a box to put them in. **Only the Nespresso brand pods can be collected for recycling.** The reason for this is that they are made entirely from Aluminium (unlike some other brands, apparently). You can collect your pods in any sort of container, which can be placed in the box, but when you order or purchase your next coffee pods, check out the recycling bag available from Nespresso.

The white plastic cube in the yard at the side of the Centre is for you to place any dry, flat-packed newspapers, cardboard (secured with string) etc. for recycling. If the container is full, please leave your paper bundles under the shelter.

Soft plastics can also be placed in the container, but it is important that these are **clean and appropriately packed**, or this service will be discontinued. It is important to recycle as much as we can to reduce the amount of rubbish going into landfill so if you are unable to deliver your papers to the yard, please place in your yellow recycling bin

Please note that our Centre does not have a facility for bottles and cans.

Stansbury has a bottle and can recycling depot - "Stansbury Recycling" - for all your refundable items and glass bottles. Alternatively, they can be placed in the "cages" dotted around town and the blue and yellow bins in the Caravan Parks, the proceeds of which are distributed to those community groups and sporting clubs who participate in the collection.

The Visitor Information Centre has a "Planet Ark" recycling box for all your used printer cartridges as well as a container for recycling the following items:

Please note that we no longer accept plastic screw lids or any Colgate products.

We will still be able to recycle:

- The little plastic bread bag sealers.
- Aluminium can pull tabs.
- All blister packs.
- Used biros – no ink.

A limited number of the "Scribble" is printed and made available from the town businesses and the Visitor Centre. For those who prefer, it is available to read online at www.stansburysa.com or, if you miss out and don't have internet access, you can always come into the Visitor Information Centre and pick up a copy. You can also be added to the list to receive your copy via email, just contact Diana to provide your details.

THIS IS IMPORTANT

PLEASE TAKE NOTE OF THE FOLLOWING:

In the event of cardiac arrest, emergency defibrillators are available in the following locations:

- Foreshore Caravan Park, on the outside wall of the office to the left of the door.
- Oyster Point Drive Caravan Park, on the outside of the small, red brick building adjacent to the entrance to the park.
- Stansbury Pharmacy, on the outside, eastern wall.
- Stansbury Bowling Club, on the club house wall, facing the greens.
- Stansbury Golf Club, on the front veranda of the club rooms.

These are automated and instructions are provided so please don't be afraid to use one. *You could save a life!*

STANSBURY TURNS 150 IN 2023

To celebrate Stansbury turning 150 in 2023, the Stansbury Progress Association is calling for expressions of interest from members of the community to form a "Stansbury 150th Celebration Organising Committee". The committee will be responsible for organising and co-ordinating events throughout 2023, which will be enjoyed by our local region, and attract visitors to our beautiful town.

For more information, or to register your name please contact the Stansbury Visitor Information Office, 8852 4577
or email tourism@stansburysa.com.au by Monday 14th March.

COMMUNITY CRAFT AND FRIENDSHIP

Community Craft and Friendship has resumed for 2022 with some new ideas to try and some old ideas to continue.

It's been lovely to welcome some of our regular caravan park ladies back on their annual holidays, showing us their crafts and sharing in our friendship circle.

We have introduced a Gardening Gurus Spot, and A Life Story Spot onto our Think Spot time. So Spotty !!!!! (Just 5 mins each)

Margaret J shared a Life Spot with us about how Prisoners of War were held near their farm on EP, how Guiseppe taught her how to ride her bike, and how her family shared Christmas with some of them. Gardening is a preferred Craft for many of us, and Joc Grundy shared with us her love of succulents, which began when she realised they had survived her lack of care when she was unable to garden. Now we all want succulents!

We look forward to other Life Stories, and tips from Garden Gurus, as we continue with our more familiar Crafts.

We have some newish ones coming up, probably after our Care-a-thon handover in May. We plan to include in our Care-a-thon goods 2 special rugs. One made up from crocheted squares we are all doing as a tribute to our Helen Davies, who bravely and beautifully crocheted when her fingers were really too bent and painful to crochet. And a second rug of knitted squares of 'fluffy' wool, which our Rosemary Agnew used to knit hundreds of jumpers. Get on to your squares girls, so the tribute can be ready for May!

All are welcome to join us 9.30 - 11.30 on the 1st, 3rd and 5th Wednesdays of the month at the Stansbury Community Church, Weaver St. Our Spots start at 10.15 followed by a cuppa at 10.30. Covid rules apply,..... and that's just one of the reasons why we're a safe and happy group!

MEALS ON WHEELS ROSTER MARCH

As from October we have been trialling delivering all meals frozen to clients, so at this stage there is no heating of meals required.

It has still been necessary to give some of you multiple deliveries in the same month. I have tried to spread this around as evenly as possible - please swap with someone else if you are unable to do your allocated day. Contact me if necessary. Janet.

There are easy to follow directions at the centre so please always refer to these sheets if you are unsure of anything.

There is an updated 2022 covid advice on the notice board at the info centre – please take note. Things sometimes change without much warning, so please always check for latest covid or other info on the notice board.

CHI KUNG (QI GONG)

Chi Kung is a gentle form of energy practice. It is a beautiful flowing combination of movements and breathing techniques that stimulate energy flow and help promote your natural resiliency to stress and illness.

Monday mornings, **except public holidays**. Registration at 10.45am and gentle Qigong exercises commence at 11am. All welcome, wear loose, comfy clothes. Cost is \$2.00.

Please note that we are not a professional organization, rather a “Young at Heart” group encouraging others to participate in gentle exercise.

Chi Kung is held in the Institute supper room, entry via the side nearest the Post Office. Enquiries to Carrol 0409094009.

STANSBURY GOLF CLUB NEWS

First of all we acknowledge the receipt of a Grant of \$2000 from DSS Community Volunteers' Hub. We applied for this Grant in the 2021 round of funding to purchase a wall mounted tool box complete with every imaginable item. We were successful and are now awaiting delivery of the tool box.

Our Thursday social competition and community happy hour are still proving to be very popular and will continue on with some restrictions which are quite manageable. Our winter season will commence on 22nd March for the ladies with a meeting, clean up and lunch at the Blue Lime. The official club opening day will be on 2nd April with an Ambrose competition followed by a barbeque tea for players and partners. Hopefully we will be able to resume our monthly dinners which were sorely missed last year, restrictions permitting.

New players always welcome. Come and try!!

Bev Patterson, Secretary 0472 763 032.

STANSBURY SPORTS & COMMUNITY CLUB

AGM - The AGM will be held on 28 March 2022 at 7pm at the Stansbury Oval Clubroom. We are a Community Club so no sports involvement required. Join the Committee to keep our valuable facility operating and bring along some new ideas. All welcome.

Footy Tipping - Again this football season we will be running the footy tipping competition. Monitor our Facebook page for further information as it becomes available or to express your interest please email stansburysportscommunityclub@gmail.com or phone Renee on 0412160933.

Sunday Fundays are back for 2022. Like last year, they will continue to be held on the last Sunday of every month at the Stansbury Oval Clubroom from 2pm - 5pm. It's a great family friendly catch up opportunity. Bar facilities open, with the option to BYO food.

LIONS CLUB OF STANSBURY DALRYMPLE

What do Lions do?

March is Lions Awareness month so our task is to make our local community aware of just what we do.

Just what has our Lions Club already done in the current financial year?

- Brought the Lions Skin Cancer Screening bus to Stansbury
- Supported Hugo Taheny in his achievements in Handicapped Athletics
- Purchased Foodbank hampers at Christmas time for distribution through Community Health to people in need.
- Supported a client with a Hearing Dog
- Been involved in the Stansbury Progress environmental can & bottle collection
- Organised and ran the Australia Day morning tea and Citizen of the Year Award with Stansbury Progress
- Donated \$1000 to RFDS after the Morning Tea
- With the help of an RAA grant, donated 10 state of the art stethoscopes to volunteers in the Yorketown Branch of the Ambulance service
- Provided 100's of donuts at the Seaside Markets

Thanks to the support of Stansbury Pharmacy, collected and sent dozens of used prescription glasses to be recycled for Third world countries.

This list is just some of what has happened in our club recently.

Previously we have supported the CFS, SYP Hospital, museum, provided defibrillators and run training sessions on usage, and helped with other community needs.

Being a Lion is more than cooking a BBQ at Bunnings, or selling donuts at the Seaside market.

All funds raised from the public by Lions Clubs go directly to the people and organisations supported by Lions

What can you do?

Thank you for your previous support and please continue supporting our fundraising events held locally, because in turn, our club supports our community.

Buy Christmas cakes and puddings, buy Lion Mints and collect the small green emergency booklets to keep your medical/ medications listed in an easily accessed way

Most importantly – you could join Lions and be part of our club.

We don't only fundraise, we also have fun activities.

Membership is open and we would welcome new members.

If you would like to find out more, have a talk to Peter Gates at Dalrymple Motors. Peter has been a Lion for over 40 years and has a lot to share.

So you've finally decide to get yourself that new puppy or kitten to brighten things up after the gloom of the past few years. You've seen a picture online of the cutest puppy/kitten that's just has BUY ME written all over it.

Be very careful, it could be a scam.

The scam is a relatively simple one. The scammers use reputable online sales sites such as Marketplace or Gumtree and place a photo of the cute puppy or kitten, often a purebred but even increasingly so called 'rescue' dogs or on occasion a 'free' dog. Once you've paid for the dog there will then be ongoing charges for transport, crates, immunisations etc etc etc until you finally realise there is no puppy and the scammer will cuts contact.

Once you've made contact they'll often ask a series of questions in relation to your capacity to care for the puppy/kitten, don't be fooled, these are purely to lull you into a false sense of security. There may well be a professional looking website with lots of pictures, this could well be a legitimate breeders work that has been copied by the scammer, because the scammer doesn't actually have a puppy/kitten to sell to you.

To avoid being scammed

- Do a reverse image search on the pictures in the ad. If they are attached to another site – BIG RED FLAG!
- How long has the website been online – Look it up at www.whois.com
If its only been online for a very short time - RED FLAG!
- For pedigreed breeds - Is there a big discount for the puppy/kitten compared to what they would normally cost from a reputable Breeder? RED FLAG!
- If there is a Australian National Kennel Club or Breeder association number – look it up online and make contact though the email/phone number listed on the site.
- Do they have an ABN? Look it up at - <https://abr.business.gov.au>.
- Do they have a business name? Look it up at <https://asic.gov.au>
- For 'rescues' check what shelter they belong too and search online and call to verify the shelter exists and the puppy/kitten exists also.
- RED FLAG – Does the breeder only wish to communicate via text or email? If they won't talk to you via phone then forget about it, probably a scam.
- Ask the breeder/seller for a video call to see the puppy/kitten and its parents. If they refuse (no matter what the reason!) then BIG RED FLAG! - forget it.
- There are sites online dedicated to recording the scam websites but these are not always up to date. Usually once they have been registered on a site like that the scammer shuts it down and changes its name and starts again. But they do contain lots of information about how to recognise a scam.

So what happens when you send your money to a scammer? Usually you will have transferred the money via Bank Transfer into account details provided by the scammer. This account will sometimes be in the name of a victim of identity theft or an account sold off by a departing temporary Australian resident. The money will then likely be moved on into a Crypto currency account making it impossible to trace. Within minutes your money is gone, often to the other side of the world long before there is any chance for the bank to freeze it or for law enforcement to retrieve it.

It's very much a case of BUYER BEWARE!

Be Safe Online

STANSBURY PRIMARY SCHOOL

Stansbury Primary School welcomed four new children to the school this year. Victoria, Nadia, Evelyn and Sienna have settled in well into our school family and we look forward to learning and growing with them. To see and learn about our new staff visit our Stansbury Primary Facebook page.

While revisiting our school values of friendliness, honesty and responsibility, classroom teachers have jumped straight into the explicit teaching of literacy and numeracy. It is wonderful to see the children so focused during these times.

We have started our Japanese language lessons through open access with Minori Sensei and on Friday afternoons, we have been exploring what it means to be sustainable... "Sustainable Fridays".

The children would like to have chickens for our food scraps; this will fit nicely into our science curriculum around living things too. We would love to hear from anyone who could help us with obtaining chickens or would like to be a part of our Sustainable Fridays.

While all extra curriculum activities, including volunteers have been on pause for the first 4 weeks, it is looking promising that we can recommence some of these; the children in particular can't wait for the modified swimming program.

**Our AGM will be held on the 9th of March at 6.00pm, in the courtyard;
weather permitted.
All Welcome!**

New students Victoria,
Sienna, Nadia and
Evelyn.

STANSBURY SENIOR CITIZENS NEWS

We will be holding our Senior Citizens 47th Birthday lunch on Friday 8th April. There will be no cost for this luncheon. We will provide chicken for lunch, and we ask all guests to bring a salad or sweet to share.

Please add your names to the list which will be in the hall from early March. Cut off date for names will be Friday 1st of April.

The following activities are available at our clubrooms at the Stansbury Sports and Community Club at the Stansbury Oval .

All the above activities are only \$2.00, but you must be a financial member to attend.

If you have any enquiries regarding the above activities, please contact Cynthia on 0458 685778.

PLEASE NOTE - You must be vaccinated to attend any of our activities.

STANSBURY MUSEUM

Rowena Smith

I have recently been privileged to drive around Stansbury and surrounds with Mr Dean Agnew whose family have farmed locally for 5 generations. He shared his memories and observations, in particular as a school boy in the 1930's and 40's. . To do justice to Dean's generous sharing, I will transcribe the recordings of this trip for the museum and also base other articles on this information.

He kindly allowed me access to a diary he started with a few entries in 1942 and then added to substantially in 1943. It was written in pen and ink in neat cursive handwriting in a small Education Department of South Australia issued, grey, lined exercise book with the title "Our School NOTE BOOK" which cost 1½ pence. This diary gives a wonderful snapshot of the life of an 11 year old school boy living in a rural South Australian community during World War 2. His entries, often complete with pencil drawn illustration, mention family events, his friends and their interests and escapades, local events, both social and newsworthy, farm life, the weather and the war. Initially Dean rode his pushbike to Stansbury School from the farm originally known as Hickman's which became Rosedene. Later in primary school, he rode from the Beechwood farm along the gravel road which is now the sealed Main Coast Road.

On the 14th July 1943 Dean wrote

"Sicily has been invaded. Mr S from Yorketown was found dead in the scrub. There was a NASTY HEAD WIND to push against yesterday. All the girls in Grade V11 are buying marbles off me."

Marbles were obviously much played and traded by young Dean. They rate several mentions throughout the diary.

The weather too rates many mentions. Clearly it was hard work riding his push bike against the nasty head wind as he emphasised it in capital letters. Rainfall totals are frequently mentioned as are the wind and its impact, like when the wind blew the door off the lavatory on a neighbour's farm.

On October 12th 1943 he writes

"Friday night there was a terrible strong wind blowing and rain fell. We got 24 points. At Port Vincent, 2 ketches were in and the wind blew them against each other and one sunk with a full load of wheat on. The one that still floated was damaged more than the one that went down."

Throughout the diary there are references to the war in Europe and its leaders, for example on 24th February Dean wrote "Mr Churchill is ill but is still carrying on his work in his bedroom" and on 7th December 1943 he noted "Mr Roosevelt, Mr Churchill, Mr Stalin and Mr Chiang Kai Shek are having a conference."

Dean doesn't recall getting that information from newspapers but rather from listening to the radio with the family.

Dean mentions good times he had with his mates as well as the more serious issues affecting the country and the world. He talked of going to Barry's birthday tea and "playing hidee, Monopoly and Ghosts" and "went down to the chalk caves on Saturday and we had a lot of fun running through the passages". Spotlighting and trapping rabbits were also favourite pastimes.

Farm animals are often mentioned like the new bully calf born to Midget, his cow, the foal and the cat that had 5 kittens. He also tells of "going flat out" on the Douglas motor bike and riding horses down to Long Beach with mates.

Dean talks about "the frolic" where "Graham was a rabbit and I was a chinaman". He also says that he "went to the pictures at Yorketown" and the local "show".

On 7th September 1943, Dean writes "On Sunday Auntie Eva had a baby girl much to my disgust". As he had a swag of girl cousins at the time that didn't impress young Dean at all although he did mention that changed later in his teenage years.

One regular observation and diary entry Dean makes in 1943 was of seeing training aeroplanes "hedge hopping" (flying at very low altitude) across the sea, the cliffs and the farmland near Stansbury. This together with other reminiscences about the wartime in Stansbury, I'll save for next months Scribble.
