## **STANSBURY PROGRESS ASSOCIATION INCORPORATED**

Jack Frost has certainly touched us this past month or so, and along with the cold temperatures, there's been some much needed rain for everyone. Winter school holidays have come and gone and we hope those who came to the Yorke Peninsula enjoyed their stay.

And ... Spring is only a month away!

### **STANSBURY PROGRESS ASSOCIATION – AEM.**

**MONDAY, 5 AUGUST, 2024 AT 7.30PM – STANSBURY INSTITUTE SUPPER ROOM.**

The Annual Electors Meeting is scheduled for 5 August 2024, 7.30pm at the Stansbury Institute. All are welcome to attend.

The nominees' names for the vacant positions on the committee are displayed on the Progress Association's noticeboard at the Institute Hall and their profiles are displayed in the window of the Visitor's Centre.

### **Stansbury Progress Association – Annual Dinner.**

The Progress Association's Annual Dinner was held on 30 July at the Dalrymple Hotel. This is held as a thank you to the committee members who volunteer their time to the Association. Thank you also to the Dalrymple Hotel's management and staff for the beautiful dinner and service.

### **Stansbury's Big Bazaar and Town Garage Sale.**

This year, we changed it up a little, holding a Big Bazaar in the Institute, supported by the Town Garage Sale.

The event was well patronised, with around 200 people attending the Institute. Stallholders came from all the Lower Yorke Peninsula and our very own Stansbury Lions supplied a great morning tea of fresh scones, jam and cream, plus tea and coffee which proved immensely popular. Garage Sale participants also reported high visitor numbers throughout the day.

This is the third year we have held an event in the July School Holidays and it's great to see it being well received by the local community and it is also great to see the event drawing visitors into the town.

In the foyer of the Institute, we displayed the wonderful artwork from this year's Stansbury Primary School students. They were asked to "draw a bird they have seen in Stansbury" and all their efforts were amazing. Thanks to the team at the school for facilitating this for us. Everyone who participated received a prize, and we hope the kids loved being creative and getting involved in this small community event.

Thank you to the Institute for allowing use of the Hall, the Lions for their wonderful morning tea and the Museum for providing the trestle tables for our Bazaar.

### TIMOTHY PAUL VINCE

Our family cannot begin to thank you all for the generous help and support you gave to us before, during and after Tim's funeral day. There are far too many individual people to publicly thank but a few clubs and businesses we want to note that really went above and beyond to make sure that everything was perfect on the day, and ran exactly how we wanted it to. These are the Stansbury Golf Club, Stansbury Sports and Community Club, Stansbury Cricket Club, CMS Football and Netball Club, Stansbury Basketball Club, Southern Eagles Football Club, Dalrymple Hotel and McQueen Funeral Services.

We certainly do live in a very special little community.

Our family was over whelmed with all the care and thoughtful cards and messages we received. Our hearts are broken and we will certainly miss that cheeky smile, but the beautiful memories will live on forever.

Warm regards,

Serena, Bernard, Karlie, Kirra, Elle, Shayla and families, along with Roger, Rosemary, Chris, Mark, Amanda and families.

### RECYCLING

To help keep our town beautiful and reduce waste the following recycling facilities are available: **Nespresso pods:** Used **Nespresso pods only** can be dropped off at the Visitor Centre into the box located by the front door.

This month marks the 100<sup>th</sup> anniversary of the Stansbury Golf Club's formation.

To celebrate this achievement, this article is devoted to the Stansbury Golf Club.

*I would like to acknowledge the work of many other Stansbury community volunteers who collated and wrote down the information which I have used to collate and create this article.*

The sport of golf originated in medieval times on the east coast of Scotland where it was played on coastal dunes and tracks hitting a pebble with a stick. The oldest golf course is considered to be the "Old Course" at St Andrew's, Scotland which has been played on since 1552. Many, many years later and many kilometres away the Stansbury Golf Club was formed.

The initial meeting of the golf club held on July 28<sup>th</sup> 1924 decided to ask the District Council of Yorke Peninsula for the use of part of the parklands for a 9 hole golf course. Soon after, the club elected a committee presided over by AP Anderson. It had a foundation membership of 35 local men and women and the inaugural club captain was Charles Peterson.

In the early days, members spent many hours picking the small round stones off the fairways. Sheep were used to mow the grass. To keep the sheep off the blacks (Stansbury's equivalent of putting greens), they were surrounded by iron droppers with wire. Fairways were marked with a single furrow dug in the ground prior to the first game. Although bordered by trees along the oval fence line, the course itself originally had very few trees.

By the late 1920's the club had joined the S.Y.P Golf Association and were playing Association matches. The first ladies committee was formed in 1928 and there were 17 lady members. They held the very successful Golf Ball in 1928 at the Institute which became an annual fundraiser for many years. Membership numbers fluctuated in the following decade probably due to the Great Depression but even so in 1937 the first clubhouse was built. It was built of galvanised iron near the corner of the parklands near the oval. It measured 16 foot (4877mm) by 10 foot (3048mm) and was 8 foot (2438mm) high.

WW2 saw golf go into recession and it took some years afterwards for it to recover.

The 1950's however marked a resurgence of interest and the club really took off again. Some notable achievements were

- 1951 the Stansbury team remained undefeated
- 1952 a prominent Adelaide golfer, Bruce Auld played an exhibition round and drew a crowd of keen golfers
- 1959 a new clubhouse was built on top of the hill where it is today and the old clubhouse was donated to the Basketball Club (an aside, it wasn't until 1970 that women's basketball became known as netball).

The new clubhouse that was officially opened in April 1960, was a huge improvement as it had toilets, a kitchen area, a Captain's room and even a fridge for bottled beer. Earlier days had seen a bar set up in a tent on Open days. By 1970, even with adjustments, this clubhouse no longer coped with the increased membership so it was significantly enlarged. It now had the large glass frontage that takes in Stansbury's glorious views and also had a bar holding a larger range of drinks and also golf accessories. Interestingly, it also had room for a dartboard and the club had a team in the winter inter-town darts which was reputedly quite competitive. Over subsequent years, many improvements have been made to this building and its facilities, the most recent being the major upgrade of the kitchen.

In 1983, a company was employed to redesign the course but due to budget restrictions this didn't proceed until a couple of hard working, savvy volunteers found the original map and began to organise and make gradual changes like tree planting, digging sand traps, adding mounds and moving tee blocks. This resulted in the course becoming much more challenging.

The Stansbury Golf Club has continued to thrive over subsequent years due to significant effort by many volunteers (too many to name individually). A relatively recent innovation has been the addition of the Stansbury Golf Masters to the yearly calendar which includes a live broadcast of the Triple M Rush Hour crew's radio show from the clubrooms on the day. Another new initiative is "Bubbles and Bash" on Friday afternoons, a social and easy going environment to learn for new lady golfers and also for existing lady golfers to improve their skills. The monthly, winter dinner fundraiser also continues to be very popular.

With approximately 50 members now, after 100 years, the Stansbury Golf Club continues to be a vibrant entity in the Stansbury Community.

Congratulations on your upcoming 100<sup>th</sup> birthday Stansbury Golf club

## **WALKIN' SUPPORTIN' FLYING VERY GENEROUS DONATION**

*Photo Joan Bannon*

Walk the Yorkes for Charity generously shared the money they raised from their 2-day event in May with the Royal Flying Doctor Service SYP Support Group and Backpack For Kids SA. Their charitable walk from Ardrossan to Stansbury raised a huge \$40,800! On Sunday 21<sup>st</sup> July, local sponsors and RFDS members held a thank you celebration hosted by major supporter Darren Smith and family at the Coobowie Shop. As our President Maree Anderson was unable to attend, Lyn McKenzie (Assistant Treasurer) and Jane Lavery (Assistant Secretary) accepted a cheque for \$20,400 from Matt Burr, Convener of Walk the Yorkes. In accepting the gift, Lyn

thanked all those involved, saying it was one of the largest receipts she'd written in her 20 years of supporting the RFDS. Also, the group acknowledged the wonderful support of local businesses who sponsored WtY4C collection boxes, including:- Coobowie Hotel, Edithburgh Post Office, Melville Hotel – Yorketown, Minlaton Hotel, Peesey Pantry – Yorketown, Troubridge Hotel – Edithburgh, Warooka Hotel and the Yorke Hotel – Yorketown.

We had great support promoting the event from all the local newsletters including YorkeTalk, Gum Flat Gazette, Stansbury Scribble & the Cooe. Many thanks go to all the businesses across the district who displayed Walk the Yorkes posters, as well as to everyone who helped out in big and little ways. It's added up to a great success. Also attending with Lyn and Jane were Alyck Smith (our youngest member), Julia Harvey, Julie Kossatz, Linda Spurling, Toni Rodrigo, Joan & Andrew Bannon. Matt Burr announced next year's event would support local charities by walking from Edithburgh to Marion Bay. More news to come.

## **IN-BETWEENS/TAI CHI GROUP**

There were 32 interested people present to listen to Robert Kidd, Group Leader of the Yorke Peninsula Prostate Cancer Group. He spoke on the formation of the Group which started in Minlaton in 2013 and is still well patronized. Prostate Cancer is the most prevalent diagnosed cancer in Australia today and there were other statistics which were quite alarming. There are no obvious symptoms and early detection is so important, so regular testing is important.

Following the talk 27 enjoyed a delicious lunch supplied by Julieanne and Kirsty from the Blue Lime Café. The gold coin entrance fee raised \$50.00 and a generous private donation meant we were able to donate \$100.00 to the Group. Thank you to Rob and all who helped on the day.

Our next outing is a demonstration by the Blacksmith's and Lost Skills Group and to hear the history and see the restoration work being done on the Showground Pavilion at Minlaton on the 17<sup>th</sup> of September. More information in September Scribble
