STANSBURY PROGRESS ASSOCIATION INCORPORATED

It's that time of year when the weather gets warm, the beach sparkles and the jolly man in the red suit makes us all believe in magic.

A huge Stansbury welcome to the many visitors who come to share our special part of the world for the festive season and school holidays, we hope you enjoy your time with us.

This issue of the Scribble has all your information on church services, community groups, etc. who look forward to you joining them during this festive season.

Be sure to check the noticeboards at the Stansbury Institute and Visitor Information Centre, as well as the store windows for further details regarding local events.

Welcome!

We'd like to take this opportunity to welcome Jenni Matulick to the team at the Visitor Information Centre. Jenni is the new Visitor Information Officer and is working Wednesday through to Friday. She will also be coordinating the weekend Centre Volunteers so if you are interested in being a volunteer from October through to April, please get in touch with her – 8852 4577 or information@stansburysa.com.au

Congratulations to the Dalrymple Hotel!

Congratulations go to our one and only local bar and restaurant, the Dalrymple Hotel. On Tuesday 26 October, after many years of hard work, they won the Bistro Casual Dining-Country category at the 2021 Australian Hotels Association SA Award. This followed their runner up placement at last year's Awards.

This year, the team at the Dalrymple were up against a field of 10 nominees, one of which had been the consecutive winner over the last four years. Executive Chef, Will Glazbrook, strives to continually improve the customer dining experience which was rewarded this year with first place.

They will now head to Tasmania next February to compete for the national title, and we wish them every success.

As a small community, Stansbury is extremely lucky to have such an amazing hotel on our doorstep. The Dalrymple is a proud employer of over 25 locals and our congratulations goes to the whole team in providing such a great facility.

To avoid disappointment, don't forget to make a reservation.

Dates for the diary!

Christmas Lights Competition

Closes Friday 17 December at 4pm

The Progress Association will once again be offering a \$100 prize to the winner of the Christmas Lights competition. Entry forms will be available from the Visitor Information Centre from 1 December 2021 and will need to be returned by 4pm on Friday 17 December 2021.

Good luck to everyone who enters and remember, this is a random draw, so don't be discouraged if you don't have a bucket load of money to spend on decorations (or electricity!!!), it's all about having fun and getting involved. Let's light up Stansbury this Christmas!

The winner will be contacted by telephone following the draw.

Special Thanks

This newsletter would not happen without the effort, skills and time graciously provided by Chris Duncan and Janet Jolly who publish the Scribble each month, so many thanks to you both. You are very much appreciated.

As this is the last Scribble for the year, on behalf of the Stansbury Progress Committee and Staff, we would like to wish everyone a very safe and Merry Christmas and Happy New Year. We hope you enjoy whatever is special to you at this time of year.

Recycling:

NEPRESSO: Many of you will have a Nespresso coffee pod machine at home, in your caravan or holiday home. The used pods are recyclable and the Visitor Centre has a box to put them in. **Only the Nespresso brand pods can be collected for recycling.** The reason for this is that they are made entirely from Aluminium (unlike some other brands, apparently). You can collect your pods in any sort of container, which can be placed in the box, but when you order or purchase your next coffee pods, check out the recycling bag available from Nespresso.

The white plastic cube in the yard at the side of the Centre is for you to place any dry, flat-packed newspapers, cardboard (secured with string) etc. for recycling. If the container is full, please leave your paper bundles under the shelter.

Soft plastics can also be placed in the container, but it is important that these are **clean and appropriately packed**, or this service will be discontinued. It is important to recycle as much as we can to reduce the amount of rubbish going into landfill so if you are unable to deliver your papers to the yard, please place in your yellow recycling bin

Please note that our Centre does not have a facility for bottles and cans.

Stansbury has a bottle and can recycling depot - "Stansbury Recycling" - for all your re-usable items and glass bottles. Alternatively, they can be placed in the "cages" dotted around town and the blue and yellow bins in the Caravan Parks, the proceeds of which are distributed to those community groups and sporting clubs who participate in the collection.

The Visitor Information Centre has a "Planet Ark" recycling box for all your used printer cartridges as well as a container for recycling the following items:

Please note that we no longer accept plastic screw lids or any Colgate products.

We will still be able to recycle:

- The little plastic bread bag sealers.
- Aluminium can pull tabs.
- All blister packs.
- Used biros – no ink.

A limited number of the "Scribble" is printed and made available from the town businesses and the Visitor Centre. For those who prefer, it is available to read online at www.stansburysa.com or, if you miss out and don't have internet access, you can always come into the Visitor Information Centre and pick up a copy. You can also be added to the list to receive your copy via email, just contact Diana to provide your details.

THIS IS IMPORTANT

PLEASE TAKE NOTE OF THE FOLLOWING:

In the event of cardiac arrest, emergency defibrillators are available in the following locations:

- **Foreshore Caravan Park, on the outside wall of the office to the left of the door.**
- **Oyster Point Drive Caravan Park, on the outside of the small, red brick building adjacent to the entrance to the park.**
- **Stansbury Pharmacy, on the outside, eastern wall.**
- **Stansbury Bowling Club, on the club house wall, facing the greens.**
- **Stansbury Golf Club, on the front veranda of the club rooms.**

These are automated and instructions are provided so please don't be afraid to use one. *You could save a life!*

What is the role or function of a museum?

It's to collect, to record, to preserve, to research, to exhibit, to educate and encourage reflection.

A museum should engage visitors, foster deeper understanding and appreciation of history and culture and encourage pride in the achievements of their forebears.

Why visit a museum?

It teaches empathy, critical thinking, observation, reflection and raises awareness of people and places. It can be experiential, creative and fun.

Types of Museums

Museums can be artistic, cultural, and scientific and focus on specific aspects of these. Some examples are the Migration Museum in Adelaide, ACMI, the National Museum of Screen Culture in Melbourne, Tandanya, the National Aboriginal Cultural Institute in Adelaide and the Imperial War Museum in London.

Famous World Museums

Smithsonian Institute (Washington), Louvre (Paris), Acropolis (Athens)
Prado (Madrid) State Heritage Museum (Moscow)
Tate Modern (London) Tokyo National Museum (Tokyo)
Emperor Qinshihuang's Mausoleum Site Museum (Xi'an, China)

My personal Christmas wish for all readers is "for your Christmas to sparkle and your New Year shine"

COMMUNITY CRAFT AND FRIENDSHIP

As 2021 winds up, we look back on a productive and happy year, albeit tinged with losses and life's usual problems. Wednesday mornings 9.30 - 11.30 have been important to us all as we chat, and do, and do and chat, and then chat some more!

Last week 46 cute little pairs of booties, mostly for preemie babies, in the pattern Joy Farrow taught us many years ago, were given to the Women's and Children's Hospital as a tribute to Joy. Along with our Care-a-thon 2021 handover in June, and our early goods for the 2022 Care-a-thon to the Salvation Army reveal that our sitting and knitting/crocheting/sewing is creative and useful, as we help those in need and the friendships forged as we chat have been vital in this crazy time we call covid.

We are holding our Christmas Party on Wednesday 1st Dec, 9.30 - 11.30, and then moving next door to the Dalrymple Hotel for lunch.

On behalf of our group. I would like to wish you all a very Happy and safe Christmas as we celebrate the birth on earth of Jesus Christ. Such an awesome occasion to celebrate with joy and gratitude!

And may 2022 be kind to us all. God bless you all
Lynne Anderson.

EFTPOS NOW AVAILABLE AT MOST FUNCTIONS.

We were recently successful in obtaining a Community Grant from the Yorke Peninsula Council for \$1000 to purchase a Square POS system. As we are heading toward a cashless society this was a necessary item to be utilised at our functions & fundraising events. The Club has contributed the remaining costs. We thank the YP Council for the grant funding as we have many projects to work on with limited funds available. Any funding assistance is greatly appreciated.

LIONS CLUB OF STANSBURY DALRYMPLE

“Did you know that eating a Christmas Cake can prevent blindness?”

This is a quote from a TV ad in 1992 referring to Lions SAVE SIGHT project.

Some facts about the Lions Christmas Cakes

Raised over \$60 million dollars for worthy causes since 1965 when launched.

Where it all began...

Observed in operation in Canada, the idea was brought back to Australia and trialed. Originally thought a ‘crazy idea’, the Lions Christmas cake became an instant success. Initially baked by Big Sister, the recipe has remained basically the same, though the shape has changed due to metric measurements. Currently Traditional Foods are the bakers and the Lions Christmas Cake is their biggest bake job.

The larger cakes take 2 – 3 hours to bake, and on average 8,000 cakes are baked each day. All cakes contain at least 50% fruit. While Australian products make up 49% of the ingredients, supply shortages and/or excessive costs prevent this being higher at the moment.

Lions Christmas Cakes and Puddings are available in Stansbury at Dalrymple Motors, the Visitor Information Centre and the Caravan Park Office

They are excellent value, at

1.5kg Cake	\$17
1 kg cake	\$13
900g pudding	\$13
