Welcome 2023!

The 2022 holiday season was an extremely busy one, not only in Stansbury but all over the Peninsula. Visitors have flocked to Yorke's over the school holidays in numbers most have never seen, and we hope everyone has enjoyed special and memorable times with their family and friends over the Festive Season and the January break. We now welcome our next wave of mostly regular visitors to Stansbury. These lovely people visit each year to enjoy the warm, calm weather that February and March will hopefully deliver.

There were two Seaside Markets held in December– our Christmas market on December 17 and arguably, our biggest market on New Year's Eve – both being very well supported by stall-holders. The weather has been kind so far during this market season, with New Year's Eve proving to be an absolute pearler and the bumper crowd who visited the morning market and Stansbury enjoyed a gorgeous 5 hours browsing the various stalls. The Stansbury Museum reported a sell-out, the Lions had huge line ups for their scrumptious donuts and Rob Tonkin, our wonderful charity tune player raised just over \$800 for the RFDS. Well done to everyone.

To finish the year and send 2022 off with a bang, the always sensational Stansbury New Year's Eve Fireworks, proudly sponsored by the Stansbury Progress Association, saw large crowds flock to the foreshore and enjoy the beautiful weather and spectacle.

28 January was another successful market, with a large crowd attending for the last weekend of the Christmas school holidays. We were so lucky to have the rain hold off until nearly the end of the market which allowed everyone the chance to browse the over 60 stalls on offer. Congratulations to Rob Tonkin for another great effort on the keyboard by Rob Tonkin. He raised \$389.90 for the Women's and Children's Hospital Foundation.

The crew from Hello SA visited Stansbury on Saturday 28 January to film our beautiful town, our section of the art trail, the markets, and the new villas at the caravan park. Lauren, Tom, and the team were so relaxed, friendly and accommodating, it was a pleasure to work with them while they were filming at the markets.

With the first half of the season behind us, a huge thank you to all the volunteers who work so hard and give their time so generously to help set up, pack up and cook at the markets - you're amazing! Our next market is 18 February 2023 from 9am to 1pm.

### **Congratulations!**

Congratulations to Lee Wilson who was the winner of the 2022 Christmas Lights Competition which was randomly drawn at the Visitor's Centre the week prior to Christmas. Fabulous job Lee! Thank you to everyone else who entered and a big well done to those who took the time to put up lights and decorations on their property over the Christmas/New Year season – it gave the town a very festive feel.

## Thank You!

A big thank you to the Stansbury IGA for their kind donation of lollies which were distributed during the annual Christmas Eve Parade through the streets and caravan park. Thank you also to the Stansbury CFS and Santa and his elves and all others who joined in the Parade for making this a great tradition for the town.

## Citizen of the Year.

One of the most important events for Stansbury in January is the presentation of the annual Citizen of the Year. This award was presented at the Australia Day Morning Tea organised by the Lions Club of Stansbury Dalrymple and supported by the Stansbury Progress Association. The Stansbury Citizen of the Year honour goes to a person who has been nominated (among others) by a member or members of the community. The award recipient is chosen based on the information provided through the nominations by delegates from both the Lions Club and Progress Association.

Together with the Lions Club of Stansbury Dalrymple, the Stansbury Progress Association is happy to announce that the winner of the 2023 Stansbury Citizen of the Year is Margaret Farrow.

Marg was recognised for her long-term commitment to the Stansbury community. She has been involved in different ways with sporting groups, volunteers at the school, Museum and Visitor Centre, as well as being an active member of the Uniting Church and the Stansbury Dalrymple Lions Club.

She spends many hours as Client services Coordinator for Meals on Wheels, regularly checking on clients' welfare. More recently, she has spent countless hours researching and updating information for the Stansbury 150<sup>th</sup> town celebration which is being held in October 2023.

She was instrumental in establishing the "Ladies On Their Own" group (LOTO), helping to provide a time for social interaction and well-being for this group of women.

Marg is a quiet achiever, committed to the community, with a caring and motivated attitude and a lifetime of skills she willingly shares.

Congratulations Marg. Well deserved.

Beautiful weather on New Year's Eve saw many family groups gathering along the foreshore to enjoy the spectacular fireworks display. The entertainment organised in the Park was a great success, with lots of dancing and laughter by both Park patrons and visitors to Stansbury.

January was very busy at the Park, with many of our regular summer guests enjoying a bit of rest and relaxation before heading back to work or school.

February looks like it is going to be another busy month, as we welcome back many regular guests who love visiting Stansbury at this time of year.

**Development update:**

Works commenced late January to connect our new villas to services (power, water etc). We are expecting bookings to open mid February, and are looking forward to offering new luxury accommodation options for everyone to enjoy. The Adelady team from Hello SA, as part of a segment on Stansbury, filmed the new villas after filming the murals/art and markets. Follow our Facebook pages and we'll let you know the on-air date as soon as we can.

Here's a few snaps of the three bedroom villa. We can't wait for the first guests to arrive

## RECYCLING

To help keep our town beautiful, and reduce waste the following recycling facilities are available:

**Nespresso pods:** Used **Nespresso pods only** can be dropped off at the Visitor Centre into the box located by the front door.

**Paper/Cardboard:** There is a large white plastic cube in the yard at the Visitor Centre (entrance off Towler Street). Dry, flat packed newspapers, magazines (both secured with string) and cardboard can be placed in this cube. If the cube is full, please leave the paper bundles under the veranda.

**Soft plastics:** These can also be placed in the cube if they are *clean and appropriately packed*. Please package the clean plastics into another bag or container for placement into the cube.

**Bottles and cans:** Bottles and cans can be placed into the collection cages located around the town, or the blue and yellow bins in the caravan parks. Proceeds are distributed to the various local community groups and sporting clubs who participate in their collection. Alternately Stansbury Recycling have a bottle and can depot for all your refundable items and glass bottles.

**Printer cartridges:** These can be deposited into the Planet Ark box located near the front door of the Visitor Centre.

The Visitor Centre is also able to receive little plastic bread bag sealers, aluminium can pull tabs and used biros – no ink. **However, we are no longer able to accept plastic screw lids, Colgate products or blister packs.** Unfortunately, we are not able to recycle batteries.

### **EMERGENCY DEFIBRILLATORS:**

In the event of cardiac arrest emergency defibrillators are situated at the following locations:

- Foreshore Caravan Park on the outside wall of the office to the left of the door.
- Oyster Point Drive Caravan Park, on the outside of the small red brick building adjacent to the entrance of the park.
- Stansbury Pharmacy on the outside, eastern wall.
- Stansbury Bowling Club on the club house wall facing the greens.
- Stansbury Golf Club on the front veranda of the club rooms.

**These are automated and instructions are provided so please don't be afraid to use one. You could save a life!**

Long weekend in October 2023

This year is a very exciting year for the town as it marks the 150<sup>th</sup> birthday of the township of Stansbury. The organising committee has been working tirelessly for several months already and plans are well underway for events to mark the milestone over the October Long Weekend – 2023.

We will bring you all the details as they are confirmed and hope that 2023 will be a great year for our town.

## COMMUNITY CRAFT AND FRIENDSHIP

Lynne Anderson

We had intended to start 2023 on Jan 18th, but COVID had some of us out of action, and others ducking for cover, so we are trying again this Wed 1st Feb, and we'll have more ideas about 2023 on Feb 15th.

Bring along any projects you have on the go, or any canny gifts you received for Christmas that may inspire us.

See you there!

### **LIONS CLUB OF STANSBURY DALRYMPLE**

Australia Day Celebrations.

Thank you to everyone for the support for our Morning Tea. The weather was fairly kind, though the breeze was a little stronger than ideal early in the morning. In excess of 250 people enjoyed a morning tea of lamingtons, scones with jam and cream.

Thanks to Stansbury Progress for their support, Fleurieu Milk Co for their donation, Rob Tonkin for the music, the CFS volunteers for attending with the new appliance and Derek Rutter for organising the vintage cars.

Raffle winners were Robyn Pawsley, Charlotte Davidson and Rowena Smith. Donations to the RFDS are still to be finalised, but will be a minimum of \$1200, which is the proceeds from donations and the raffle sales.

Congratulations to club member Margaret Farrow on being awarded Stansbury Citizen of the Year for 2023. A well earned acknowledgement of her community involvement.

## MEALS ON WHEELS ROSTER FEBRUARY

We are now delivering all meals frozen to clients, so at this stage there is no heating of meals required. . Thanks to those who have given me the dates that you will be unavailable. It has still been necessary to give some of you multiple deliveries in the same month. I have tried to spread this around as evenly as possible - please swap with someone else if you are unable to do your allocated day. Contact me if necessary. There are easy to follow directions at the centre so please always refer to these sheets if you are unsure of anything.

**Always check for updated covid advice on the notice board at the info centre.**

## STANSBURY MUSEUM

By Rowena Smith

I invite you walk through the museum entrance into the large room that is currently used to orientate visitors to the history of Stansbury and stand still on the worn floor boards. Close your eyes and imagine!

Imagine the many local children of years ago who began their education in this room, hear their chatter and laughter and hear their teachers imparting knowledge and discipline to boys and girls, some of whom stayed in the local area and contributed to the community here and others who travelled afar and made their mark elsewhere.

Stansbury School was opened on 6<sup>th</sup> November 1878 with 48 pupils ranging from 4 to 16 who previously had had no schooling. Miss Grace Kerr was head teacher for the majority of the time the school existed on the current museum site (1882 -1902). Student numbers fluctuated but were generally high. In 1907 there were 67 so the school qualified for an assistant teacher.

By 1907 Education Department inspectors condemned the school for student use and school was transferred to the original Stansbury Institute in St Vincent Street, until the new school was built in its current location.

The museum displays many school photos dating right back to 1878 up to current times. In 1878 a very solemn group of students is standing in front of the school with the smaller ones sitting crossed legged in front of them and flanked by Miss Grace Kerr. She looked quite severe in her full length dark dress with white pinafore. In a close up head and shoulders and later portrait of the head teacher she is unsmiling but looks less severe. In the formal school photo the girls wore mid calf frocks with pinafores or smocks. The lads wore jackets, collared shirts and button up boots and many are holding their hats. Interestingly in the 1892 photo neither the girls nor Miss Kerr are wearing pinafores and many students are wearing hats and caps or bonnets almost as though they've just arrived at school or are about to go on an excursion. The photos chronicle the change in fashions and hairstyles over the years, some with school uniforms, others more individual.

It is also interesting to compare the photos of the Stansbury School Fife and Drum band, one in 1946 and the other in the mid 1960's. The students in the 1960's photo were clearly encouraged to smile and the fife players held their instruments and in the 1946 photo the fife players were posed as if ready to play their instruments and so in that photo only two of the drummers were smiling.

It is interesting to look through the student names in the photos and recognise many surnames that still resonate through the district today. Many of today's locals could stand in that room and imagine their distant relatives learning their letters and numbers in that classroom with Miss Kerr and with other teachers in the current school location.

As with today, the Stansbury School and its staff has always been an important and integral part of the Stansbury community.
