STANSBURY PROGRESS ASSOCIATION INCORPORATED

May 2024.

Easter weekend, the April school holidays, and ANZAC Day weekends have seen big crowds visiting our town and more broadly across the Peninsula, with the Easter weekend in particular overflowing with visitors.

If you were lucky enough to be in Stansbury on Easter Saturday, you would have witnessed a huge crowd for the market. Weather was perfect, crowd was amazing and our 70 plus stallholders were very happy, with many selling out before the end of the market. Some even reported sales being their biggest ever, either at a Stansbury market or anywhere else they attend markets.

The last of the Seaside markets for the season was held on Saturday 13 April 2024 and supported the Saltwater Classic Wooden Boat Regatta. It was great to see it back after a hiatus during Covid. It was another perfect autumn day, and the foreshore was full of market stalls, the Navy Band, vintage cars, motorbikes, boats, and caravans, all the way from the top corner of Anzac Parade to the Caravan Park. It was a colourful spectacle, particularly when the One and All and Brindabella made an appearance on the horizon, and the boats launched on their journey up the coast to Port Vincent. It was a wonderful event, and well supported by the many visitors who strolled through the displays, and down onto the boat ramp throughout the day.

Congratulations to the Saltwater Classic organising committee on arranging this fantastic weekend. It was such a spectacle and so well managed both before and on the day. Well done everyone.

Rob Tonkin, who generously donates his time and talents to all our markets busking for various charities, raised \$530.45 for RFDS at the Easter Saturday Market and \$433.05 for Prostate Cancer at the Saltwater Classic market 13 April. We always love hearing Rob play at our markets, and he has raised an amazing \$2,402.45 for 6 different charities over the 6 markets he attended this season. You do a fantastic job, and we really appreciate your commitment and support

The 2024-2025 market season dates will be released mid year, so keep an eye out on the Stansbury Seaside Markets Facebook page, the Scribble and the sign at the 'Gun' in town to find out when our market season will commence.

At the end of a busy market season, congratulations and huge thanks to all the volunteers who help to make our Seaside markets such great events. The Stansbury Progress Association, Stansbury Museum, and the Lions Club of Stansbury Dalrymple, along with the volunteers who man our Visitors Centre every weekend from October through to the end of April, we can't thank you enough for generously giving your time to these activities.

Volunteers are the backbone of community events. Without them, we would not be able to hold the markets and other events over the course of the year. It's been a while since any new volunteers have come on board to lend a helping hand and we would love to have you be involved in the volunteer community. If volunteering a couple of hours every couple of months sounds like you, please contact Diana on 8852 4577 or tourism@stansburysa.com.au.

Over the Winter.

For the past 2 years, we've held a small local indoor market in the Stansbury Institute on a Saturday during the July winter school holidays, with a town wide garage sale held on the same day. This year, we thought we'd try something different and are looking for any interest from the community to participate in a 'Trash and Treasure' indoor market. *As space is limited in the Institute, one table would be allocated per seller.* We are also considering holding another garage sale at the same time (pending sufficient interest), so if you could please let us know if you're interested in participating in either part of the day, so we can get busy organising! Please email Diana at the Centre – tourism@stansburysa.com.au More details will be published in the June Scribble.

Pioneer Skills Festival

11th May 10am to 4pm – Oyster Point Drive Caravan Park Campground.

On 11 May 2024, a group of enthusiastic volunteers are holding a Pioneer Skills Festival, with this event forming part of the Statewide 'History Month' of May. It will be held at the Oyster Point Drive Caravan Park Campground (preferred entry off Karrata Crescent at the rear of the park) from 10am to 4pm.

We need your help! If you can spare a couple of hours to man the entrance to the Oyster Point Caravan Park to direct visitors towards the event, we would love to hear from you. Please give us a call on 8852 4577 between 9.30am and 4.00pm weekdays.

Bring the whole family to watch the onsite Blacksmith, Ropemaker, Saddler, Tailor, Lacemakers and more, all demonstrating skills practised by the early pioneers. Talk to the makers and hear their story. Help the ropemaker make a rope and try your hand at wool spinning. A kids' activity table will keep the young ones occupied and a working machinery display will be on show. Food (including homemade soup and freshly cooked donuts) will be available and of course, coffee!

We hope everyone comes out and supports this unique event. Entry is free.

Visitor Information Centre.

On 2 May, 2024, volunteers from the Visitors' Centre, Tidy Towns and Progress were treated to a Family day out, exploring the Forge at Minlaton, the Alpaca farm, stopping for a lovely lunch at the Coobowie Hotel before heading to the Coobowie Bird Hide to hear all about the endangered Osprey and the breeding tower volunteers have erected. We hope everyone enjoyed the day.

The Visitor Centre has been well supported by tourists over Easter, ANZAC Day and the Easter School holidays, with many travelers from interstate visiting our area for the very first time. It's great to see so many people discovering our beautiful part of the world.

New stocks of zip up fleecy jackets are in, and orders have been placed for new hoodies in all sizes. Hoodies are available in no zip, half zip or full zip in a range of colours. They are as warm as toast too!

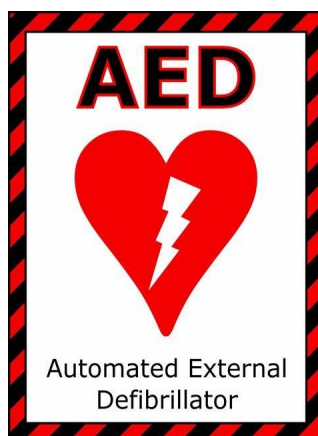

Don't forget, we have a range of local olive oils, balsamic vinegar, cookies, coffee, hot chocolate and all your favourite jams, pickles, chutneys, relishes, cookies, lentils, local candles, peg bags, handmade cards, stove towels, ipad/tablet covers, baby bibs, handmade baby toys and more! Great ideas for Mother's Day presents!

“Drop into the Visitor Centre for that special gift for MUM ! We have lovely and affordable gifts in stock and gift wrap too ! “

New goal post and back netting have been installed at the oval just in time for the football season. A big thank you to Trimboli Services, Andrew Johnson Building, Harris Freight, Harris Outdoor Contracting and Andrew Pisani for their donation of goods and services. Also a big thank you to the committee and community members that assisted with volunteer hours.

We have continued to modernise and update our facilities with the painting of the toilet block and canteen shed at the courts and the painting of the toilet block at the oval. This will complete all the external painting of our facilities and it looks GREAT! All now the same colour, with a fresh new look. Thank you to Haridas Decorating for getting the job one in a timely manner.

Our next major project is the salt damp in the clubrooms, which is booked to start in the next couple of months.

STANSBURY MUSEUM

Rowena Smith

This month is South Australian History Festival month. Its theme is Power! If your mind immediately went to power bills and generation you wouldn't be alone. A much broader interpretation of power is the History Trust's idea ...power in science, power in art, power in clothing and fashion, industrial power, power in the food we cook and share and so much more. There are so many other aspects of power. During the month of May there will be 517 events through out South Australia celebrating the state's history. The events include exhibitions, talks, performances, book discussions, author presentations, open days, events, guided tours and even movies. There is something for everyone and in so many locations - city, suburban and rural.

Check out their web site for more information- www.festival.history.sa.gov.au

As usual Stansbury punches above its weight with both the Stansbury Museum and the Stansbury Progress Association participating and committed to telling the story of our pioneers.

Museums embody the power of story telling and showcasing the power of people, as well as a multitude of other takes on power!

Stansbury Museum's theme is **150 years of Settlement: That's People Power!**

During the month of May the museum is open Sunday and Wednesday 2pm - 4pm.

There will be the opportunity to hear stories told by long time residents and narrated photos set up with viewing as they were for the 150th celebrations last year. Personal stories tell how things have changed: photos reflect the fellowship and adaptability of the community.

Stansbury Museum volunteers will also contribute to the Stansbury Progress Association's Pioneer Skills Festival on Saturday 11th May from 10am -4pm. It will celebrate early settler skills and crafts including demonstrations by a blacksmith, a rope maker and lace maker. The Museum will be organising a display of historical artifacts and also running a food stall with delicious, warming soup.

As Stansbury's successful market season is over, it is time to thank everyone who has supported the museum's fundraising stall.

To all who've purchased our delicious food, and even added donations-Thank you!

To the IGA Stansbury and their staff who give us amazing support-Thank you!

To the Stansbury Progress Association, its employees and all of its volunteers for the opportunity to be part of an iconic and popular market- Thank you!

To our amazing market organisers, Lee, Willow, Carrol and Lawrie and their wonderful team of volunteers who over many years have made our stall such a success -Thank you! It is no mean feat to provide good food and good, efficient service- all done with the museum's trademark good humour and care. Congratulations team!
