STANSBURY PROGRESS ASSOCIATION INCORPORATED

The long weekend and school holidays have finally arrived, and everyone is so excited for the 150 Celebration weekend!

The town has been buzzing with so much activity over the past few months and our volunteers have been working overtime making sure the town looks as good as it can for this very important celebration. A whole range of volunteers from various groups have been tirelessly organising the wonderful events which encompass the whole of the long weekend, and we can't thank them enough for their time, effort, and passion for our town.

You might have already noticed some new signage at the Visitors Centre and all the fabulous wall plaques that have been installed on the historical buildings and businesses around Stansbury. There is a guide and map of the history walk available at the Visitor Centre which explains the historic significance of the relevant buildings and residences. Along with the History Walk book, a new and updated version of the 'Stansbury' book is also available at the Visitor Centre. The History Walk book plus map is \$5 and the updated 'Stansbury' book is \$20. The Centre is also selling caps, pens, keyrings, and stubbie holders to commemorate the Stansbury 150 Year Proclamation. Limited stock is available, so get in early!

The **Monster Raffle** has some amazing prizes and if you haven't already bought a ticket, they are still available for purchase up until Friday 29 September at most businesses throughout Stansbury. On Saturday 30 September, the tickets will be available at the market (til 1pm cash only), the Visitor Information Office (til 1pm cash and EFTPOS) and the Institute (til 4pm cash only). On Sunday 1 October, the tickets will **only** be available from the Oval Event (Stansbury Football Oval) til 4.30pm – cash only - unless sold out. The raffle will be drawn at 5pm (Sunday) at the Oval Event.

And if there wasn't enough to do on the long weekend, it's the start of our market season! Our first seaside market will be held on Saturday 30 September from 9am to 1pm on the foreshore. This market, as well as the 25 November and New Year's Eve markets, are booked and it's shaping up to be a great season. We hope to see you all there to support our wonderful community, and the amazing stallholders who travel from near and far to attend the markets.

A huge thank you in advance to all the volunteers who help during market season – the signage, and road closure volunteers, the volunteers who man the Visitor Information Stall, the Museum volunteers, and the Lions Club volunteers – we hope you have a wonderful six months.

STANSBURY PROGRESS NEWS contd...

Once again, our team of dedicated volunteers will be manning the Visitor Centre on Saturdays and Sundays from 9.30am to 12.30pm until the end of April. **Please note that on 30 September 2023, the Centre will be open from 9.30am to 1.30pm (an extra hour).** Call in and say hi to our weekend volunteers! If you are interested being a weekend VIO volunteer, please contact Hannah on 8852 4577 Wednesday to Friday – 10.30am to 4.00pm.

The fire at the much-loved Blue Lime Café and Deli last Friday night (22 September) has shocked and devastated the whole community. Everyone's thoughts and best wishes are with Julieanne, Matthew, Kirsty, Tyrece, Rick, Anne and staff. We wish them all the best as they strive to bring the business back into operation. The community is behind you and we are all here to help in any way we can.

We hope everyone enjoys the first of our markets, the school holidays, our 150 celebrations and the warmer (we hope) weather!

Caravan Park Update.

September has been another busy month for works at the Caravan Park. The Foreshore Park roads have all been resurfaced with brand new bitumen which looks fantastic.

We are preparing for a busy summer season and look forward to welcoming everyone over the long weekend and school holidays.

WHAT IS ON IN STANSBURY ON THE LONG WEEKEND?

Saturday, Sunday and Monday between 10 am and 4 pm, the institute will be open. Inside there will be displays of local industries and businesses both current and historical.

Take time to browse the exhibits—take a trip down memory lane or learn something new.

In the side meeting room, there will be an ongoing video of some of the recollections from well known local people reflecting on their time growing up in the district and sharing their memories.

Check out some of the older buildings around town. Small plaques have been placed on some of the more historical buildings denoting their original usage.

Go and visit the school on Saturday and see how things have changed in recent years. Walk on up to the museum (open Saturday, Sunday and Monday) to check the excellent displays of our town's history.

If you are feeling energetic, join in one of the history walks either on Saturday or Sunday. You are bound to find something of interest.

Most importantly check the program and keep busy.
It is time to remember, share and enjoy!

Celebrating 150 years of Stansbury's history

What was it like growing up in the area?
What did your family do?
How have things changed in your lifetime?

These are questions that could have been asked of eight of Stansbury's long term residents.

Come and listen to their stories in the History Recollections area in the Institute.

What building was that?
What business operated here?
What has happened since?

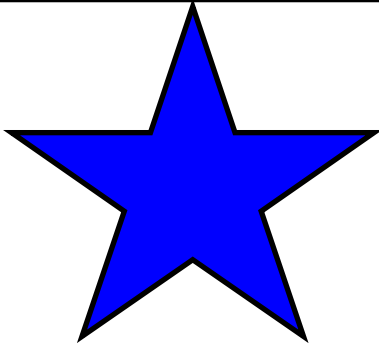

25 small plaques have been installed on buildings around the town with names and dates.

Have you seen these two plaques?
Where are they?

Dressmaking must have been a profitable business in the early 1900's.

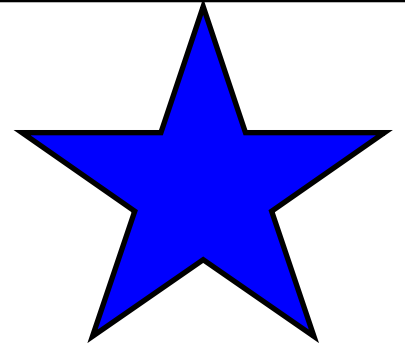

Join a history walk to hear the stories, or buy one of the Historical Walk booklets and have a wander for yourself.
Spend time in the Stansbury Museum and browse the excellent displays.

STANSBURY INSTITUTE MANAGEMENT COMMITTEE ANNUAL REPORT 2022-2023

We welcomed Cynthia Morony and Del Balkalkaus to our committee. It has not been necessary to hold any meetings during the past year as there have been no major projects or issues. With the day to day running of the hall requiring only the occasion text message to members for information and approval of minor problems. Our main purchases have been to replace the vacuum cleaner, thanks to Progress and a new urn.

Our hall has been hired on a regular basis to different groups during the year including the local Lions Club, RSL sub-branch, Tai Chi Group, aerobics class, and various monthly meetings. There were also special events like the winter mini market, pop up clothing shop, the primary school concert, Anzac Day Breakfast, funeral services and wakes. Total bookings for the year were 102, not including the weekly doctors' visits.

The only upgrade during the year has been the replacement, of the library carpet by the Yorke Peninsula Council. The library has also been revamped and is now more spacious with easier access for patrons. Unfortunately the front foyer door frame still has not been sealed but we hope to have it done shortly. Patrons often comment on the excellent condition of the main hall floor surface. The new door seals on both main side doors it has reduced the amount of dirt and leaves inside the building. Thank you to the Tidy Towns Group for fitting them.

Lee Wilson our cleaner/caretaker continues to keep the whole building in a pristine condition and is always doing extra to make the place friendlier and more inviting which people do notice and appreciate.

Thank you to the Yorke Peninsula Council, Progress Association and Tidy Towns Group for their continued help. Thanks to all the Committee members for their commitment and support.

We wish to acknowledge the contribution of Graham Newstead to the Committee, as our secretary and committee member for the past 8 years. He will be sadly missed.

COMMUNITY CRAFT AND FRIENDSHIP

Lynne Anderson

September has been a 'flowery' month, with the arrival of spring. A bit of sneezing too for some.

We look forward to our Stansbury 150th as many return to Stansbury and recollect memories. Our Craft displays will be at the church and at the Institute, and we have lots of goodies to brag about!

October 4th will be a packing up kind of day, and we'll plan our next meeting then.

We wish everyone a happy and safe long weekend, and if anyone new to town would like to join us at the CCF meetings at the Community Church, just pop in between 9.30 and 11.30 on the first and third Wednesday in each month. You'll be welcome!

STANSBURY GOLF CLUB.

Well, here we are at the end of another successful golf season. Presentation and wind up were held on 9 September, with 33 players in attendance for an Ambrose competition and family tea after, beautifully catered for by the Lions Ladies. Our Thursday dinners have been very well supported by our members and community members as well, being fully booked with reserves on standby every month. A new innovation this season has been our Friday 'Bash 'n Bubbles' sessions for new players. This has been very popular, and the Club has been fortunate enough to gain five new lady members with hopefully several more prospective players joining us. Raelene Hayes has been along to give coaching lessons. If anyone else would like to join in, please contact Gerri Bowley – 0419 802 600 – for further details.

Congratulations to our Club Champions:

A Grade: Ashley Hodge. Runner Up: Sam Harris.
B Grade: Ron Hillier. Runner Up: Zac Bertoldi.
C Grade: J Patterson. Runner Up: Richard Smith.
Ladies Champion: Sue Wall.

Thursday social golf and Saturday competition will continue for several weeks until the course is closed for seeding but unfortunately Thursday Happy Hour has been suspended for a short break. Regulars will be advised when we are ready to start again. Thanks to everyone for their support.

Our AGM will be held on 9 October at 8 pm, all welcome to attend.

LIONS CLUB OF STANSBURY DALRYMPLE

It's that time again!

The first Seaside Market is on the 30th September and the Lions are 'up and running'. The Lions distinctive van will be there and will be selling the very popular donuts and hot dogs again this year.

The van has had a massive spring clean from top to toe (Thanks JB) and is ready to go for a busy weekend, both at the market and again at the 150 celebrations on Sunday at the oval.

Another Lions addition to check out this weekend is the Lions PR Trailer. This will be situated outside the Institute on Saturday the 30th and at the oval near the Lions donut van on Sunday. Come along and have a look at what Lions do for their local communities and also nationally and internationally. Ask questions of our members and find out more about this world wide humanitarian organisation.

While near the Institute, go inside and check the displays. Look at the history of our town and district and see what wonderful things have been achieved by so many of the community groups.

STANSBURY MUSEUM

Rowena Smith

The Stansbury Museum was officially opened on the 8th January 1976. The establishment of the museum was a direct result of interest shown during the Stansbury Centenary celebrations 50 years ago in 1973. At this time, items of historical interest were displayed at the Bowling Club. Later they were transferred to the current museum building which is a historical gem itself. It was built in 1878 by the government as a schoolroom with a dwelling attached.

Now, during the Stansbury 150th celebrations the Stansbury Museum is proud to be an integral part of those celebrations and background support to the organisers. This background support by volunteers has involved many hours of searching archives for information and photos.

The “**Historic Walks of Stansbury**” booklet has been rewritten and updated. The printing costs have been generously sponsored by Tech Dry with all profits of the sale of the booklet to go to the Museum. The booklet will be available for purchase at the Museum, the Visitor Centre and at the Official Opening of the Stansbury 150th at the Bowls Club on Friday 29th September (ticketed event).

The Cemetery Directory will be proudly launched at the Stansbury Cemetery on Sunday 1st October 2023 at 11am.

It has been a massive project by a large number of volunteers. The research has been ongoing for many years. It has been a huge undertaking to collate the information and translate it to two directory signs for the cemetery that will list all those interred there. It has involved liaison with many other parties. Costs of the signs have been met by significant and generous donations by the local Lions Club and RSL and by private donors. Everyone is welcome to join us at the Cemetery Directory Launch which is being combined with the laying of the Time Capsule.

STANSBURY PHARMACY

"Quality Advice with Traditional Service"

NEW FEES FROM THE 1ST OF SEPTEMBER 2023

Due to the Albanese governments implementation of 60 day dispensing there will be a 40% loss of funding to our pharmacy. Unfortunately, this means Stansbury Pharmacy will have to start charging for services we once did for free or a small cost. These fees will not recoup the losses but help keep the Pharmacy operational and retain staff.

Service	Previous fee	New fee
Blood Pressure Monitoring	Free	\$5 per visit or \$10 for the week. *We have a few Blood Pressure devices for sale for home use also.
Vaccinations	Free or small cost	\$25 service fee on cost of vaccination for non-subsidised vaccinations.
Dosage Administration Aids	Free or small cost	\$25 start-up fee (one off). \$5 per week for Community patients that remain on 30-day dispensing. \$10 per week for Community patients wishing to use 60 day dispense. \$7.50 per week for Nursing Home residents (non-subsidised).
Home Delivery	Free	\$7.50 per local delivery.
Sick Certificates	\$15 per certificate	\$25 per certificate.
Signing of Documents and/or Printing	Free	\$5 per document.
Owing prescriptions	Free	\$5 admin fee on top of script price.
Watch Battery replacement	Free	\$7.50 plus cost of battery.
Interprofessional consultations	Free	We will have to charge for time spent talking to Dr's, Specialists, Nurses, Hospital Pharmacists, Surgery Reception staff, Allied Health Professionals, etc. \$10 per 6 minutes.
Wound care and dressings	Cost of items used	\$15 service charge in addition to cost of items used.

Other follow-on effects of this ill-thought-out government policy include:

- Sponsorship and donations. For the last 14 years we have provided over \$5,000 per year supporting charities, local groups/organisations, and sporting clubs. Unfortunately, this will have to cease until a new PBS reform one day in the future hopefully.
- Opening hours and staffing. While we will try to maintain our current staffing and service there will be some changes in the future to help reduce costs.
- We will only open on Saturday mornings for markets.
There may be the occasional day we are closed when George has an appointment, personal or family commitment or sick day for example. Where possible we will try to give advanced notice of course.
- When locums are working our hours may be reduced (9am to 2pm) each day, otherwise we would be running at a loss.

We are still hopeful that an 8th Pharmacy Agreement with the Government will rectify some of the funding for these services and the Pharmacy sector in general. But we will not know until this time comes as to when our customers, and most vulnerable of the community, will cease this extra financial burden.
