

# STANSBURY SCRIBBLE

SEPTEMBER 2023

Contributions for the next issue by **25th September** to Visitor Centre  
or [stansburyscribble@gmail.com](mailto:stansburyscribble@gmail.com)

Editor: Chris Duncan    Assistant: Janet Jolly

Publication through the courtesy of:

ADELAIDE BRIGHTON CEMENT LTD and STANSBURY PROGRESS ASSOCIATION.

## **STANSBURY PROGRESS ASSOCIATION INCORPORATED**

Spring has finally arrived, and the cold wet weather will soon give way to lovely warmer days and nights in the months ahead. September also brings with it sports finals – good luck to all participating teams.

Thank you to those members of the community who attended the Progress Association's Annual Electors Meeting on Monday 7 August in the Institute Supper Room.

This year, there were six nominees for the six vacant positions and all nominees were elected to the Committee unopposed. David Slater did not re-nominate for another term, and we thank him for his very valuable input during his time on Progress.

Returning to serve another two-year term as Executive Committee members of the Stansbury Progress Association Inc. are Don McPhee, Ted Butfield, Doug Carruthers, and Julie Harris. New members are Andrew Pisani and Shaun Toft. We welcome both new members to the Association. Those members with another year to serve are Beth Faulkner, Kevin Forrest, Graham Klose and Sue Oldfield. Thank you to everyone for committing your time to the Stansbury Progress Association.

Immediately following the Annual Electors Meeting, a short gathering of the new Committee was held to elect a Chairperson and Vice-Chairperson, with Don McPhee and Shaun Toft elected to these positions respectively. Congratulations.

This year's bottle and can money, collected from the caravan parks and cages from July 2022 to June 2023, has now been distributed. Each participating Community or Sporting group received \$866.28 each. What a fantastic effort from all involved. Sadly, Stansbury Museum and Stansbury RSL are unable to continue to be part of the collection roster and we thank them for their many years of service. We welcome a new group – Blacksmiths and Lost Skills – to the roster and wish everyone a great result again this year.

The collection roster for 2023/2024 has been distributed, with extra copies available from the Visitor Centre.

### **Stansbury Seaside Markets – Season Opening 30 September – 9am to 1pm.**

Our first Stansbury Seaside Market is only a month away. Put 30 September (Saturday of the Long Weekend) from 9am to 1pm in your diaries. The first market is always a great one and we're hoping for lots of visitors to kick off our season. The market also forms part of our fantastic 150 Celebrations weekend, with events over the Saturday and Sunday to suit everyone.

Stansbury Progress News contd...

Market stalls have been much sought after for the long weekend, with over 70 stallholders expected, lots of variety and of course, your favourites. We have a new baker coming to our markets after an unfortunate accident meant Jose and Lucinda (the bakers who have come to our market for so many years), were unable to continue with their business. So, look forward to your bakery favourites as well as some new delights! We wish Jose and Lucinda all the best in the coming years and thank them for their loyalty to the Stansbury Seaside Markets.

### Stansbury Visitor Information Centre.

Over the winter, the Centre has had a new coat of paint, a new noticeboard and a new town map installed in the entrance way. It has really brightened the area up and made it look fresh, new, and inviting – all in readiness for our 150 Celebration weekend.

Thank you to Progress and Tidy Towns for making this happen – in particular Graham Klose and Barry Schilling. Great job!

We are also excited to welcome a new member to our team. Hannah Olsen Dale will be joining us at the Centre on Wednesdays, Thursdays, and Fridays, to meet and greet our visitors, look after the stocking of the Centre and coordinating our volunteers, amongst other duties. Hannah has previously worked at the Burra Information Centre, and we look forward to her new ideas and initiatives to take our Centre to the next level. She starts with us on 6 September.

The winter has seen traveller numbers reduce as people headed to warmer climates. However, the October long weekend will see the commencement of the visitor season, and bookings are already at high capacity. We look forward to welcoming all our guests, and hope they enjoy the wonderful festivities that are planned to celebrate Stansbury's 150<sup>th</sup> Celebrations.

Improvement works continue to be undertaken in both the Parks, including new bitumen scheduled to be laid in early September in the Foreshore Park. The fill at Oyster Point Drive will also be levelled in preparation for offering drive through sites in the future.

The new villas have been a welcome addition to our accommodation offering, and the feedback from guests has been very positive. Some minor refurbishment of the existing villas is also being carried out to freshen them up in time for the summer season.

We hope everyone enjoys the beautiful Spring weather, and we hope to see you soon.

	Contributions can be sent to the following, by the 25th of the month.	
	Please send copies to both Chris and Progress	
	<a href="mailto:stansburyscribble@gmail.com">stansburyscribble@gmail.com</a>	
	<a href="mailto:progress@stansburysa.com">progress@stansburysa.com</a>

## IMPORTANT NOTICE FOR OCTOBER SCRIBBLE

**Please submit all contributions as early as possible — NO late articles accepted. The October Scribble will be published by the 29th September prior to the 150th Celebrations.**

## SALTER QUALITY KITCHENS

**Specialising in:**

**Modern kitchens**

**Wardrobes**

**Vanities**

**Storage units**

**Solid timber work i.e. Bars**

**Phone Nathan: 0427405023**

## RECYCLING

To help keep our town beautiful, and reduce waste the following recycling facilities are available:

**Nespresso pods:** Used **Nespresso pods only** can be dropped off at the Visitor Centre into the box located by the front door.

**Paper/Cardboard:** There is a large white plastic cube in the yard at the Visitor Centre (entrance off Towler Street). Dry, flat packed newspapers, magazines (both secured with string) and cardboard can be placed in this cube. If the cube is full, please leave the paper bundles under the veranda.

**Soft plastics:** These can also be placed in the cube if they are *clean and appropriately packed*. Please package the clean plastics into another bag or container for placement into the cube.

**Bottles and cans:** Bottles and cans can be placed into the collection cages located around the town, or the blue and yellow bins in the caravan parks. Proceeds are distributed to the various local community groups and sporting clubs who participate in their collection. Alternately Stansbury Recycling have a bottle and can depot for all your refundable items and glass bottles.

**Printer cartridges:** These can be deposited into the Planet Ark box located near the front door of the Visitor Centre.

The Visitor Centre is also able to receive little plastic bread bag sealers, aluminium can pull tabs and used biros – no ink. **However, we are no longer able to accept plastic screw lids, Colgate products or blister packs.** Unfortunately, we are not able to recycle batteries.

### **EMERGENCY DEFIBRILLATORS:**

In the event of cardiac arrest emergency defibrillators are situated at the following locations:

- Foreshore Caravan Park on the outside wall of the office to the left of the door.
- Oyster Point Drive Caravan Park, on the outside of the small red brick building adjacent to the entrance of the park.
- Stansbury Pharmacy on the outside, eastern wall.
- Stansbury Bowling Club on the club house wall facing the greens.
- Stansbury Golf Club on the front veranda of the club rooms.

**These are automated and instructions are provided so please don't be afraid to use one. *You could save a life!***

## 150 FACTS ABOUT STANSBURY: Facts 136 – 150 (1x15)

- 136 The Netball Club went into recess in 2019 having been formed in 1953. "Elanora" the SYP Home for the Aged facility was closed permanently in 2019.
- 137 The Coronavirus pandemic changed our lives and many activities were cancelled in 2020.
- 138 "Elanora" was sold – Meals On Wheels distribution centre was changed to the Visitor Centre. Senior Citizens Club was relocated to the Sports and Community Club and the RSL are using a room at the Institute.
- 139 The Stansbury Senior Citizens Club in 2021 had a name change, 46 years after the original committee was formed. Ron Duncan was awarded an OAM for his services to the community.
- 140 In 2021 an Isuzu FTS800 unit costing \$350,000 was delivered to the Stansbury CFS.
- 141 Up until 2021 the Bowling Club had won 26 men's pennants, over all divisions, the Champion of Champions singles 11 times and the men's pairs 3 times. The women have won 3 pennants and the Champion of Champions singles 3 times.
- 142 The 2021 census listed the population of Stansbury at 603 with a median age of 61 years.
- 143 The Ladies 1<sup>st</sup> Division Bowls team won the SYP Premiership in 2022, the first one since the 1965-66 season.
144. In 2023 the Cricket Club held a 20 year reunion with the timing coinciding with the winning of the premiership in 2003-04, the first at that time for 54 years.
145. Stansbury is 207 kms from Adelaide an easy two hour drive. It is located on the southern east coast of Yorke Peninsula in South Australia overlooking Gulf St Vincent.
- 146 It is a great place to explore, eat and relax offering the perfect holiday destination. The calm waters of the bay are ideal for swimming, water skiing and windsurfing.
- 147 Seaside Markets, Water Tower and Murals, Coastal Walks, Museum, Parks and Lookouts are tourist attractions in the town.
- 148 Stansbury enjoys a Mediterranean climate with cool sea breezes that moderate the summer heat with temperatures between 15 – 30 degrees C. In winter cool temperatures average between 7 – 16 degrees C.
- 149 It is centrally located for access to Dhillba Guuranda-Innes National Park to the south and the Copper Coast to the north.
- 150 The postcode for Stansbury is 5582.

## MEALS ON WHEELS ROSTER SEPTEMBER

Heading in to the winter months when many of our volunteers are away chasing the warmer weather. Thanks to those who gave me the dates they will be away. Again I have had to give some multiple deliveries, I hope these work for you – please swap with someone if you are unable to do your allocated day. Contact me if necessary. I will be away for a while. Janet  
**Always check for updated 2023 covid advice on the notice board at the info centre.**

- or Volunteer Coordinator Janet Jolly Ph 0408 903 812

### THANK YOU

*Thank You!*

On behalf of Bruce Meehan's family  
Thank you all for your kindness and support after Dad's  
unexpected passing.  
Greatly appreciated. Finally retired.  
Wayne, Lisa & families.

### IN—BETWEENS VISIT

Brenda Hiscock

Thursday 27th July, 17 Members of In-Betweens visited "Meant to Bead" at Edithburgh. The name is a bit misleading because it is so much more than a 'Beading' setup. The surprise on people's faces when they saw the figurines in 'Blown Glass' was amazing to watch. The Owner, Chris Penna, gave a talk on Remis, the man who does the Glass Blowing overseas, and then Chris gave a demonstration of how to 'Bead', which had everyone enthralled.

Afterwards we all went to the Edithburgh Hotel and had an enjoyable meal.

I spoke to Chris afterwards, to thank him, and he says his Website will be updated in about a week or so, which will take some confusion out of the scope of his business.

A satisfying time was had by all.

## STANSBURY SENIOR CITIZENS NEWS

Please note that there are no meals scheduled for the winter months.  
The following activities are available at our clubrooms at the Stansbury Sports and Community Club at the Stansbury Oval .

8 Ball (for men and women)	Monday 1 p.m. to 4 p.m
Table Tennis	Tuesday 9.30am – 11:30am
Cards	Wednesday 1pm - 4pm
Seniors Exercise	Wednesday 1:30pm – 2:30pm <b>(In Uniting Church Hall)</b>
Line Dancing	Thursday 10am – 12 noon
Cards	Friday 1pm – 4pm

All the above activities are only \$2.00, but you must be a financial member to attend.  
Member subscriptions for 2023-2024 are now due, still \$5.00

If you have any enquiries regarding the activities,  
please contact Cynthia on 0458 685 778

### CHI KUNG (QI GONG)

Chi Kung is a gentle form of energy practice. It is a beautiful flowing combination of movements and breathing techniques that stimulate energy flow and help promote your natural resiliency to stress and illness.

Monday mornings, **except public holidays**. Registration at 10.45am and gentle Qigong exercises commence at 11am. All welcome, wear loose, comfy clothes.

Cost is \$3.00.

Please note that we are not a professional organization, rather a “Young at Heart” group encouraging others to participate in gentle exercise.

Chi Kung is held in the Institute supper room, entry via the side nearest the Post Office.

Enquiries to Carrol 0409 094 009.

### LIONS CLUB OF STANSBURY DALRYMPLE

Have you noticed some of our Lions members out walking?  
From the August to November we are taking part in the Lions “Making Strides”.

What is it?

It is a fun way to raise awareness of the value of exercise and healthy lifestyle. During this 90 day period, steps, laps and any physical movement activity will be calculated and a theoretical visit to every Lions Club in Australia will be made.

The event will finish on November 14<sup>th</sup> which is WORLD DIABETES DAY.  
Diabetes research and education is one of the major focus areas of Lions International.

Another major project is Save Sight. Our club participates in this by the collection of used spectacles which are sent for sorting, processing and then sent to areas of need.  
You can help this project by leaving your unused glasses in the box at the Stansbury Pharmacy. Thank you to George and staff for your ongoing support with this project.

## **STANSBURY COMMUNITY CHURCH**

Affiliated with Baptist Churches of South Australia.

We meet every Sunday from 10 a.m. for a 10:30 service. Join with us as we share, fellowship and worship. Sunday School also for children from the age of three until year 8.

### Preaching Roster for September

## **COMMUNITY CRAFT AND FRIENDSHIP**

Lynne Anderson

August has seen us busily crocheting/learning how to crochet/envying others crocheting. We are grateful to those who gave us encouragement and inspiration. Thanks heaps!

So throughout Sept, as the days get longer and warmer, we will be mainly thinking plants and gardens, a 'craft' we all need to ply to some degree at or in our homes. Blooming and blossoming has started a little bit earlier than usual. If you have a flower you'd like to show, feel free to bring it along on Wed 6th Sept and show off.

We will also be preparing our selves and our displays for the Stansbury 150 during Sept. We will have our church windows to prepare, and a static display for the hall to prepare. We're also planning some old style crafts to show on Wednesday the 3rd Oct. (It's a bit tricky having the October long weekend mainly in Sept isn't it. Day light saving gets involved too. Let's hope for a lovely weekend.)

Enjoy September, and if you feel like some company and a cuppa, and a bit of craft, you'd be welcome on the 1st, 3rd, and 5th Wednesdays of the month at the Community Church. Cuppa and Think Spot 10.15 –10.30 ish. Enq to Lynne 88 524327

## **EASY MOVES EXERCISE IN STANSBURY**

Are you looking to improve and maintain your mobility, balance, strength and flexibility?

Easy Moves exercise classes run each week right here in Stansbury, and everyone is welcome to join in!

Classes cost \$2, and are held at 1.30pm every Wednesday in the Uniting Church hall (at rear of building) on Parrington St. Look for the green and white Easy Moves sign out the front.

The fun and friendly group is facilitated by qualified Easy Moves instructor Jo Minks. It is social, easy-to-follow, with no prior experience or bookings required.

Every three months we meet after class for a cuppa and delicious afternoon tea!

## **TAI CHI/ IN-BETWEENS GROUP**

An open invitation to hear speaker Lisa Hendry

## **DEMENTIA CARE ADVISOR & SUPPORT AT HOME**

**ALL WELCOME**

If you wish to join the group afterwards for lunch at the Dalrymple Hotel  
Please contact : **CYNTHIA: 0458 685 778 BY FRIDAY 15<sup>TH</sup> SEPTEMBER**

## STANSBURY SPORTS AND COMMUNITY CLUB (SSCC) UPDATE

**Footy Tipping Wind-up** – Thank you to all that participated in the SSCC Footy Tipping Competition for 2023. The final results came down to the last game of the season. The Footy Tipping Wind-up will be held on Saturday 23 September 2023 at the Stansbury Clubrooms. Time to be confirmed once announced by the AFL. Tipping winners will be announced, bar facilities will be open and meat and gravy rolls will be available for purchase. A great night, not to be missed. ALL WELCOME – YOU DON'T HAVE TO BE A TIPPER TO ATTEND. Please continue to check our FaceBook page for updates.

**Projects** – You may have noticed that the grandstand refurbishment has been completed. A big thank you to the Yorke Peninsula Council and the Stansbury Progress Association for assisting with funding to complete this work. The Sports and Community Club are funding the final painting of the grandstand and canteen area, to ensure it is all finished off and looks like a completed project. This will be completed by the end of 2023. I think you would all agree that it looks great and we are very happy to have a functioning grandstand again.

We were fortunate to get a Rowan Ramsay grant to purchase a second hand ride-on mower. This will assist our volunteers with mowing the surrounds of the oval.

We look forward to welcoming everyone to the oval on the October long weekend to celebrate the Stansbury 150 year event.

## STANSBURY PRIMARY SCHOOL NEWS

We have been on another camp!! This time, just the year 3-5s children attended and we were joined by Minlaton District and Curramulka school students and staff. Our destination was Arbury Park Outdoor School Camp in Bridgewater: a beautiful and engaging learning environment. The mornings were fresh but the days were glorious and there were so many opportunities for children to be curious. Food chains, life in a pond, orienteering, making bird nests boxes, hikes, cultural learning, and team building experiences made up our busy agenda.

Tory, our coordinator sent this email to us...

"It was an absolute pleasure working with both your staff and your students. Seeing the friendships form, and the beautiful community develop between the three schools was heart-warming. Listening to the reflections of the students at the end of camp made me reflect on the value of this experience for your students."

"That here it is nice and quiet, and in the city it's loud. And there is nature. *Why is it important for you?* Because it's nice and quiet and I don't like loud noises. *How have you felt when it's nice and quiet?* Calm and relaxed.

"Learning how to use a map is important because I feel like I won't get lost, and I learnt a little tip like using my finger to map out which way I am going. I can use this skill for the future."

"Before I came to this camp I used to just sit inside and do TV. Since I came to this camp, I've learnt that nature is full of surprises. *Why is that important for you?* Now I am going to get outside more and enjoy the nature more and what's around it and care for it".

"I thought the main thing we learnt was how to build friendships with other people and work together with people we haven't really worked with so we can then make more friends".

## **STANSBURY MUSEUM**

Rowena Smith

A good, vibrant museum collection is not static. It is continually evolving and having new exhibits added and old exhibits revamped or re-imagined. Changes in technology and society also allow the museum to grow and change. The Stansbury Museum is no different and its committee, aided by other volunteers, works hard to ensure that this happens.

### **Here Now!     Something new that enhances an existing exhibit!**

It is the soap box racer made and raced by the Mason family in the 1980's.

They were one of the 4 Stansbury families who were inspired to enter vehicles in the Australia Day long weekend 1980 on Towler St as an initiative of Lions Club of Yorketown. They later transferred management of the event to the Stansbury CFS.

This is a great new addition to the Soap Box Racing display as it is a completely different style to the other main signature piece, Rusty's Racer. Rusty's Racer was sleekly fashioned from the bonnet of Rusty Martin's 1955 Holden ute and painted bright yellow. It was made by Bob Jung and was raced by his children. It won several Derbies.

The Mason family racer is a billy cart style, the body is crafted primarily from wood and stained and decorated with stickers. Some winner's plaques from trophies were obviously proudly added over its racing life. It has an upholstered blue seat with red headrest. Right at the front you can clearly see the special fitting that was built into the cart to allow a tow rope to be attached. After the race, the drivers remained in their carts and were towed 6 at a time back up the hill. You can also see that soap box racing wasn't a male only sport as Fiona Mason won and placed in many events. The Soap Box Derby's had different classes (up to 6 over the years) and this allowed children from 5 years to 16 to participate plus a Seniors Class so it was fun for the whole family

Both are classic examples of soap box racers that were launched from a ramp at the top of the hill and hurtled to the bottom of the hill where, if their rudimentary brakes didn't stop them, the judiciously placed hay bales did. They were steered by a simple lever and the brakes were usually a piece of old tyre attached to a T shaped leg that descended from underneath the racer. Simple but effective although oversteering could cause the car to flip over sideways and brakes could fail!

Many Stansbury locals had a run down this hill. I have it on good authority from a mature local lady that it was a huge adrenalin rush and seemed all the faster because you were so low to the ground. Apparently these soap box racers could get up to 60 km per hour. Thank goodness participants wore safety helmets!

As well as being fun family events, the 10 years that the Soap Box Associations Derbies were held in Stansbury allowed many local organisations like the Lions Club, CFS and the Museum to benefit from fundraising during the events.

### **Coming Soon!   What's on the horizon?**

The men's team of the museum has a very exciting and impressive project underway that they hope and aim to have on display for the Stansbury 150<sup>th</sup>. This endeavour will be the result of collaboration with local donors who are descendants of original and early settlers, many dedicated volunteers and some local tradesmen/builders. It will be eye catching and a real statement piece that will greet people as they travel down the hill into Stansbury. At over 100 years old, it boldly represents local farming history.

Hint, it is a very old technology that uses a widely available resource to produce rotational energy to make available another resource. Watch this space and the Museum front yard in coming weeks!

## **STANSBURY MUSEUM ANNUAL REPORT 2022-2023**

This year has been busy and varied with preparations for the town' 150 celebrations planned for the October long weekend. Our main project has been the research (ongoing for many years) and plans for two directory signs to be erected at the cemetery to list all those interred there. The Historic Walk Booklet has been rewritten and updated. Our volunteers have spent hours searching our archives for photos and information requested by various town groups. Thankfully we had received Reg Bowmans' slides, which records many town events and these along with many others, will be included in the Light Show on the cliff face. Margaret Farrow has sourced sporting and various clubs, for their Minute Books for information for the Addendum Book. These Minute Books are now in the museum archives and will be great references in the future.

Authority was given for the treasurer to do on-line banking but cheques still require 2 signatures and the Internet plan was updated. With a grant, plus added funds, from Progress and museum, all the lights inside and out were changed to LED. This has added more light and will help in preserving the displays. During the year we have purchased a new printer, paper shredder, fire alarms and door bells. New T shirts were supplied to all the committee members and roster volunteers. Our new Centrelink Worker, Greg has been busy repairing and painting the outside sheds, painting the main building timber work, general maintenance and gardening. He is knowledgeable in a variety of handyman skills and also helps at the markets.

Due to heavy rains during the year there was flooding in the main shed resulting in minor damage, mainly to the bases of display cupboards, these have been repaired and raised. On inspection the main problem was from the box gutter and splits in the fibreglass roof sheeting, and these have been replaced. The rain also caused a short in the electrical wiring to the Men's shed and this has also been rectified.

The Seaside markets remain our main fundraising event but due to increased prices it was necessary to change our supplier and this allowed us to not increase the selling price. The electronic banking has proved very popular with customers. Other funds were raised from the can and bottle collection (thanks to Gary and Luke), hiring trestles, badges for Adelaide Hills Motor Restorers Club, catering for the Anzac Day breakfast, raffle, entry fees and donations.

Sadly during the year two of our former committee members passed away, Keith Brown, who had moved to Meadows and Bob Jung. Even though Bob had resigned from the committee he was still a very active and committed part of the team. Due to his ill health he continued to do things but in his own time. His last task was to put the glass over the institute cupboard, the Army travelling cobblers' box (which holds the Meccano display) also the incubators. He had been a big part of the museum since it began and much of his handy work is evident all over the museum. Numerous articles on displays are from the Jung family. Working at the Seaside Markets was one of his favourite past times.

The museum continues to receive donations of articles. We are happy to accept them even with limited space in the buildings. This year those donations included a windmill, which after restoration, will be our new display in the front garden area. There are also old gates, town signs, Go Karts plus numerous other articles. Any newly added information of local stories or articles will be kept for future generations.

Thank you to the Committee Members and all those who volunteer in many different ways and for the continued support of the Yorke Peninsula Council, Stansbury Progress Association and Tidy Towns Group.

The Museum is a real asset to the town and a great experience for locals and visitors.

Carrol Roberts. Chairperson.

# STANSBURY PHARMACY

*"Quality Advice with Traditional Service"*

## NEW FEES FROM THE 1<sup>ST</sup> OF SEPTEMBER 2023

Due to the Albanese governments implementation of 60 day dispensing there will be a 40% loss of funding to our pharmacy. Unfortunately, this means Stansbury Pharmacy will have to start charging for services we once did for free or a small cost. These fees will not recoup the losses but help keep the Pharmacy operational and retain staff.

Service	Previous fee	New fee
Blood Pressure Monitoring	Free	\$5 per visit or \$10 for the week. *We have a few Blood Pressure devices for sale for home use also.
Vaccinations	Free or small cost	\$25 service fee on cost of vaccination for non-subsidised vaccinations.
Dosage Administration Aids	Free or small cost	\$25 start-up fee (one off). \$5 per week for Community patients that remain on 30-day dispensing. \$10 per week for Community patients wishing to use 60 day dispense. \$7.50 per week for Nursing Home residents (non-subsidised).
Home Delivery	Free	\$7.50 per local delivery.
Sick Certificates	\$15 per certificate	\$25 per certificate.
Signing of Documents and/or Printing	Free	\$5 per document.
Owing prescriptions	Free	\$5 admin fee on top of script price.
Watch Battery replacement	Free	\$7.50 plus cost of battery.
Interprofessional consultations	Free	We will have to charge for time spent talking to Dr's, Specialists, Nurses, Hospital Pharmacists, Surgery Reception staff, Allied Health Professionals, etc. \$10 per 6 minutes.
Wound care and dressings	Cost of items used	\$15 service charge in addition to cost of items used.

Other follow-on effects of this ill-thought-out government policy include:

- Sponsorship and donations. For the last 14 years we have provided over \$5,000 per year supporting charities, local groups/organisations, and sporting clubs. Unfortunately, this will have to cease until a new PBS reform one day in the future hopefully.
- Opening hours and staffing. While we will try to maintain our current staffing and service there will be some changes in the future to help reduce costs.
- We will only open on Saturday mornings for markets.  
There may be the occasional day we are closed when George has an appointment, personal or family commitment or sick day for example. Where possible we will try to give advanced notice of course.
- When locums are working our hours may be reduced (9am to 2pm) each day, otherwise we would be running at a loss.

We are still hopeful that an 8<sup>th</sup> Pharmacy Agreement with the Government will rectify some of the funding for these services and the Pharmacy sector in general. But we will not know until this time comes as to when our customers, and most vulnerable of the community, will cease this extra financial burden.
