STANSBURY PROGRESS ASSOCIATION INCORPORATED

September is here and with spring, comes warmer days and gardens full of pop and colour. September is also the month for footy finals ... so good luck to all teams involved.

Stansbury Progress Association – Annual Electors Meeting – Outcome.

Thank you to all the members of the community who attended the Progress Association's Annual Electors Meeting, which was held on Monday, 5 August 2024 in the Institute Supper Room. This year, there were six nominees for the four vacant two-year positions available on the committee. A ballot was held at the meeting to allow eligible attendees to vote for their preferred candidates to fill the vacant positions. We welcome Georgie Rankine and Jason Aldenhoven as new members to the committee. Beth Faulkner and Sue Oldfield are returning members.

Immediately following the Annual Electors Meeting, a short gathering of the new Committee was held to elect a Chairperson and Vice Chairperson, with Andrew Pisani and Julie Harris elected to these positions respectively. Congratulations. At this meeting, Ted Buttfeld's mid term resignation was tendered and accepted. In accordance with the Constitution, this resignation left a casual vacancy on the Executive Committee. After subsequent discussion amongst the Executive Committee, Kevin Forrest was offered the casual vacancy which he accepted. This term extends to the next Annual Electors Meeting. Thank you to everyone for committing your time to the Stansbury Progress Association.

Retiring Members - Thank you.

Ted Buttfeld and Graham Klose, both long serving members of the Stansbury Progress Association (17 years each) have decided it is time to step down from the Committee. The Stansbury Progress Association wishes to acknowledge and thank them for their considerable contribution to our community over the years. Their knowledge and expertise have been invaluable. We are pleased that they will continue to help at the Stansbury Seaside Markets and in their roles for the Tidy Towns Group and we wish them well in their "retirement".

IGA Donation- Thank you.

The Tidy Towns Group was surprised and grateful to Ron and Peta and the team at Stansbury IGA for their kind donation to the Group this month. This donation will help support the ongoing work of the Group, which meets each Tuesday to help keep the town looking great. We love to welcome new members, so if you're interested in joining, please contact Diana on 8852 4577 or email tourism@stansburysa.com.au

Bottles and Cans Distribution.

This year's bottles and cans money, collected from the caravan parks and cages from July 2023 to June 2024, has now been distributed.

Each participating Community or Sporting Group received \$1015 each. What a fantastic effort from all involved. The collection roster for 2024-2025 has been distributed to the various groups, but if you'd like a copy, please call into the Visitor's Centre – 9.30am to 4.00pm weekdays.

Yorke Peninsula Strategic Management Plan Review – Community Feedback.

The Yorke Peninsula Council has recently commenced a review of their 2021-2025 Strategic Management Plan. This Plan is now nearing the end of its timeframe and it is important that it is reviewed and updated to reflect the expectations of the community, and provide guidance for growth and prosperity.

The Council has engaged Town Planning consultancy Holmes Dyer to undertake the review and prepare an updated Strategic Plan.

As part of this process, a survey is available to the residents and landowners, business people, students, visitors, etc of the Yorke Peninsula Council district to have their voice heard.

This survey is available online – the link is on the Yorke Peninsula Council's website – or you can pick up a hard copy, plus a Fact Sheet from the Stansbury Visitor Centre – 9.30am to 4.00pm Monday to Friday. You can also return your survey to the Centre for future collection by Council.

Stansbury Seaside Markets – Opening Market – 5 October 2024.

Our first Stansbury Seaside Market for the season is just over a month away - 5 October 2024 (Saturday of the Long Weekend) from 9am to 1pm. The market season opener is always a fantastic morning, with new stallholders and our old favourites returning for another season in Stansbury. Make sure you put this date into your diaries.

Volunteers Needed –

Market road block set up – Stansbury Seaside Markets – 2024-2025.

As our Seaside markets are commencing on 5 October, we are again calling for interested members of the community to assist our current volunteers in the set up and early afternoon dismantling of road closures on market days. Training will be provided – it's not a huge time commitment or a difficult job, and you would not be called on for every market – but we do need some extra hands to help in the upcoming season. The markets rely on volunteers for this role, and we would love to welcome you to our volunteer team.

If you would be interested in finding out more, please contact Diana at the Stansbury Visitor Centre by emailing tourism@stansbury.com.au or calling 8852 4577.

A reminder of the upcoming market dates:

16 November – 9am to 1pm.

New Year's Eve – 9am to 2pm. Fireworks 9.30pm.

25 January – 9am to 1pm.

8 March – 9am to 1pm.

19 April – 9am to 1pm.

VOLUNTEERS NEEDED:

- **Weekends at the Visitor Centre,**
- **Access Advisory Committee representative and**
- **Town Rose Garden maintenance volunteer.**

Volunteers are required for the Visitor Centre on weekends during the summer period.

Volunteers man the Centre on Saturday and Sunday from the first weekend in October through to the last weekend in April each season. Hours are 9.30am to 12.30pm. Volunteers can choose whether they'd prefer a Saturday or Sunday and are normally only called upon once a month. This is a great way to get to meet people and be part of the community, and an important way to contribute to the success of our tourist season. We'd love to hear from you – so please email information@stansburysa.com.au if you are willing to give it a go and we'll be in touch, and we'll also provide you with some quick on-site training and support.

Stansbury Town Rose Garden Maintenance. We are calling for a volunteer to assist the Tidy Towns ladies with the ongoing maintenance of the town rose garden.

If you are interested, please contact the Visitor Centre on 8852 4577

or email tourism@stansburysa.com.au

Access Advisory Committee Representative from Stansbury is required to attend a quarterly meeting with other community representatives. This group is organised by the Council and allows the town representatives to advise the Council of any disability access concerns they have in their respective communities.

Stansbury 5 Year Plan – Community Suggestions Wanted!

Stansbury Progress Association is about to embark on the development of the next 5-year plan for Stansbury and, as part of this process, the committee is seeking community suggestions for improvements and additions to the town. The attached letter explains this in further detail and provides you with an opportunity to submit your ideas. Please make sure you have your say and complete your ideas and submit them in person to the Visitor Centre, or email (tourism@stansburysa.com.au) or post (PO Box 13, Stansbury 5582). Deadline for submissions is COB Friday 20 September 2024. The letter is also available in hard copy from the Post Office and the Visitors Centre

August 2024

Dear Stansbury Community Member
Re: Stansbury’s five-year plan 2024-2029

Stansbury Progress Association is about to embark on the development of the next five-year plan. This will include a focus on enhancing our town and improving the quality of life for all residents.

We believe that the best way to shape the future of Stansbury is by listening to the voices of our community. We are therefore kindly seeking your suggestions and ideas for improvements and additions you would like to see in our town.

Please provide the three most important ideas that you would like Progress to consider as part of this process in the table below. Ideas could centre around infrastructure, community services, recreational facilities, an environmental focus, new events or any other aspect of our town that you feel passionate about.

Forms can be returned to us via:

- Drop in the suggestions box located at the Visitor Information Centre
- Return via email: tourism@stansburysa.com.au
- Or post to PO Box 13, Stansbury SA 5582

Closing date for submissions is COB Friday 20th September 2024.

Thank you for your time and contribution to this important project. We look forward to building a bright future for our town.

Warm regards
Stansbury Progress Association Inc.

RECYCLING

To help keep our town beautiful and reduce waste the following recycling facilities are available: **Nespresso pods:** Used **Nespresso pods only** can be dropped off at the Visitor Centre into the box located by the front door.

Paper/Cardboard: There is a large white plastic cube in the yard at the Visitor Centre (entrance off Towler Street). Dry, flat packed newspapers, magazines (both secured with string) and cardboard can be placed in this cube. If the cube is full, please leave the paper bundles under the veranda.
No hypodermic needles please.

Bottles and cans: Bottles and cans can be placed into the collection cages located around the town, or the blue and yellow bins in the caravan parks. Proceeds are distributed to the various local community groups and sporting clubs who participate in their collection. Alternately Stansbury Recycling has a bottle and can depot for all your refundable items and glass bottles.

Printer cartridges: These can be deposited into the Planet Ark box located near the front door of the Visitor Centre.

Yellow Bin

As a reminder of what to put in the yellow kerb side recycling bin, we now have large fridge magnets from Green Industries. Pick up your free magnet from the Visitor Centre weekdays 9.30am-4pm.

Blister Packs

Empty blister packs can be dropped off at the Visitor Centre in our designated box. Blister packs only, no plastic bags or cardboard.

CHI KUNG (QI GONG)

Chi Kung is a gentle form of energy practice. It is a beautiful flowing combination of movements and breathing techniques that stimulate energy flow and help promote your natural resiliency to stress and illness.

Chi Kung is held in the Institute supper room, entry via the side nearest the Post Office Monday mornings, **except public holidays**. Registration at 10.45am and gentle Qigong exercises commence at 11am. All welcome, wear loose, comfy clothes. Cost is \$3.00.

Please note that we are not a professional organization, rather a "Young at Heart" group encouraging others to participate in gentle exercise.

EVERYONE WELCOME

COMMUNITY CRAFT AND FRIENDSHIP

Lynne Anderson

We'd like to introduce you to Angel Mae Siarez, a cute little poppet, living in rural Philippines, sponsored by our craft group for the last 5 years. She's 8 yrs old now, and lives with her father, mother and sister.

She relies on our group of 'Aunties' to raise funds for her education, medical needs, food and clothing. We held a little trading table last month and raised \$131 + to help our annual effort. We sponsor Angel through Compassion. Each child is assured of love, care and an introduction to Jesus Christ. Awesome!

We meet again for craft and friendship on Wednesday Sept 4th and 18th, and you would be welcome to join us.

STANSBURY MUSEUM

Rowena Smith

The Annual General Meeting of the Stansbury Museum will be held 9am September 20th at the Museum. All welcome

Two very unassuming but fascinating folders sit on one of the old school desks in the History Room at the Stansbury Museum. One is "School Diaries 1940 -42" and the other is "1940 -1942 Excerpts from the Pioneer". The Pioneer was the local area paper which was published in Yorketown from 1898 until 1954.

It is interesting to read these snippets and glimpses of life in Stansbury during early WW2. You glean an insight into how our small South Australian rural community was affected.

The children wrote in beautiful copper plate hand writing. They mention so many aspects of daily life in Stansbury at the time. One major topic was the current films being shown by Benbow's Pictures at the Institute for example, "Gunga Din", "Pygmalion", "Donald Duck and Pluto" and "Goodbye Mr Chips". Several circuses also came to town in 1940 and 1941 including Bullen Bros Circus and Goldwyns Circus. On May 23rd 1940 one of the children wrote "Sole Bros Circus visited the town and provided a 1st class show which was greatly enjoyed by a large audience".

Another topic was the weather and its effect on crops – they detailed the amount of rain, lack of rain and tanks becoming dry, fog, strong north winds and cold damp winds retarding harvesting. They listed the types of fish being caught and even that "a seal was an unusual visitor to the point". One of them recorded "ketches at the jetty loading local grain".

A huge variety of social events were mentioned that included "lantern slides showed at the Methodist Church in aid of Home Missions", sporting events (basketball and football), the Flower show, the Strawberry Fete and Dance, Empire Day, Arbor Day, fancy dress events, dances, 21st birthdays, a euchre tournament, a radio evening, a garden party and the Yorketown brass band playing on the foreshore.

Both the children and the journalists of the Pioneer mentioned aspects of the war and how it affected the community. They detailed locals going overseas with the AIF (Australian Imperial Force) and farewells that were held for these soldiers. They also noted that "owing to war conditions and the likelihood of petrol rationing the football season in 1940 was curtailed".

In 31st of May 1940, a "mobile recruiting van equipped with loud speakers toured the town and district seeking enlistments to the AIF". By mid 1941 the RAAF recruiting unit also visited the district to enlist men for the air force and a local committee was set up to deal with local volunteers. Later that year, the first soldier from Stansbury had paid the ultimate sacrifice and this was poignantly reported. By December 1941 many of the younger men in the district had been called up for duty in the militia in case of an attack being made on Australia by Japan. Later this was extended to married men between 35 and 45.

At home in Stansbury wartime restrictions came in. Brown out, light restrictions which meant there were no street lights, only the jetty light remained on and by March the following year no electric power was allowed during the day to help conserve crude oil stocks and night-time light restrictions increased with 2 wardens patrolling the town to detect any breach of the blackout regulations. Shops had to close at 6pm and ration books were distributed at the Institute in June 1942. There were state wide petrol restrictions so there were few holiday visitors over Christmas and New Year.

The diaries mentioned important war time efforts including the "Busy Bee" to dig a 150 foot (46 metre) slit trench for the children opposite the school, the burning of the partially demolished old jetty practising the "scorched earth policy" in case of Japanese invasion and plane spotting for aircraft from a specially erected platform on the Institute roof.

Community fund raising was a huge local focus to support the war effort. There was the "Popular Man contest, a Baby competition, a Trading Table, the Prisoner of War Appeal, the Patriotic Fund, Fancy Dress Ball and a Concert Party was held to aid Limbless Soldiers. The Stansbury Cheerio Club and the Stansbury Red Cross Circle aided by local school children collected and distributed donations of goods and money to those serving their country.

Both the school children's diaries and the newspaper paint a powerful picture of a proud patriotic community!

STANSBURY CFS – NEEDS YOUR HELP!!

Stansbury CFS has been active in the Stansbury community for more than 70 years (1952), but we desperately need new members. I'm scared that if numbers continue to fall and we are unable to respond – the Government might close the brigade.

This is your service, it is people in our community – serving our community, if you don't do it, there is no one else. For example – there is one paid paramedic on the YP

If there is chance that you, your family members, or significant others in your life, may need emergency services in the future and you don't want them suffering unnecessarily, please consider joining the CFS.

In keeping with the rhythms of life - we have had a few resignations (health related and moving away from the area) and along with new ways of working – several of our members are now away from Stansbury for extended periods with work contracts. This means that Stansbury CFS is critically low on Members (particularly drivers – HR). We are at real risk of not being able to respond to emergencies and if this happens too many times – we risk losing our brigade.

Being regional and remote – the CFS is often the first responder to any number of emergency incidents in our region. Along with our traditional role in wildfires, CFS also is responsible for structure fires (house and industrial fires – e.g. Klein Point Quarry and Silos at Port Giles) and is often the first arriving service at Road Crash Incidents – (assist SAPOL). Other emergency incidents (such as Hazardous material, chemical spills, floods, trees down, powerlines down), and increasingly we aid the South Australian Ambulance Service (SAAS), both for patient lifts, drive ambulance and now medical incidents as traditional agencies are stretched further and further.

We need between 20 and 25 active members, to spread the load and to ensure that we can get a crew to any call out.

The commitment of time is not onerous. No one expects you to put your life on hold, if you have had a few drinks, or are throwing a surprise party for someone, or are at work and cannot reasonably get away, don't turn up to a call out – we understand.

You don't have to show up to every training session (it's nice if you do). To remain active, you must attend and complete an annual "Skills Maintenance Drill" (demonstrate your physical ability to get in and out of the truck - and awareness of your own safety) and turn up to training (which is often just a catch up and a drink) say 4 times per year.

Age or Gender should not deter you from making a contribution. Our current membership includes 2 females. Our oldest active member is around 75 and our youngest is 30.

If you are interested and want to dip your toe in the water... we meet on a Tuesday night at 7:30 at the Fire Station in Towler Street or you can give me a call direct on 0403 572 750 for more information.
