## **STANSBURY PROGRESS ASSOCIATION INCORPORATED**

The April school holidays, and the Easter and ANZAC Day long weekends saw bumper crowds visiting across the Peninsula and Stansbury was no exception. It's been great to see the return of holiday makers in such numbers and the flow on effect to our businesses and tourism operators is so welcome.

If you were lucky enough to be in Stansbury on Easter Saturday, the last of the Stansbury Seaside Markets for the season was held on the Foreshore. It was a fantastic day – weather was amazing, crowds were amazing, and stallholders were very happy. I hope you had a chance to wander down and take advantage of the many goods and products on offer. The markets will be back in October 2022.

Rob Tonkin who donates his time and talents to all our markets busking for various charities raised over \$600 at the Easter market which will be donated to the Royal Flying Doctor Service. Well done Rob, you do a fantastic job at every market.

A huge thanks to all the volunteers – Stansbury Progress Association, Stansbury Museum and the Lions Club of Stansbury Dalrymple - who give up their time to help make our Seaside Markets such a great event. These volunteers work tirelessly before and during every market day to help make them a success. But, they are always on the lookout for some extra hands to help lighten the load - if you would be interested in donating an hour or two of your spare time to any of these organisations on market day, please let Diana know – 8852 4577 or [tourism@stansburysa.com.au](mailto:tourism@stansburysa.com.au).

### **Around Town.**

The Tidy Towns volunteers' group has been busy this month working on a new project – installing gabion seating along the Foreshore.

Now that the markets are complete for the season, the next in the series of Street Banners being erected around town will be of the Mural Art on the Stansbury Water Tower. The painted towers are now award winning and the series has been a huge hit with visitors across each of the towns involved. Keep your eye out for the new banners, they're really beautiful.

### **Visitor Information Centre.**

A morning tea was held prior to Easter for our Centre Volunteers. Our thanks must go to all our Volunteers who help keep the Visitor Centre open over the weekends during the October -April period. Gabrielle Gutsche attended and gave a short talk on the Salt Lake Trails, Water Tower Trails and spoke in general regarding the progress of some of the YP Council initiatives.

The Visitor Centre was well supported by tourists over the Easter weekend.

We have received new stock of our original hoodies, and don't forget the new zipper jacket (with hood) that we have. Ladies, you will love them and there are some colours for the fellas too. They're walking out the door!

## **Kevin Forrest and the Jodi Lee Foundation Trek SA**

Kevin Forrest is participating in the Jodi Lee Foundation Trek SA which is being held on Yorke Peninsula on 13 and 14 May 2022. The Jodi Lee Foundation is a sizeable charity which works hard to raise awareness about the steps people can take to protect themselves against bowel cancer - regular screening from age 50, acting on symptoms, knowing your family history, and leading a healthy and active lifestyle. Detected early, 99% of bowel cancers can be successfully treated or even prevented.

Kevin will be walking from Kemp Bay to Edithburgh which is 26kms on Saturday 14 May. He is fundraising for this fantastic cause along the way. If you'd like to make a donation to the Jodi Lee Foundation, you can do so through the link below:

## **Stansbury Turns 150!**

Our beautiful town turns 150 in 2023 and we want to celebrate in style! We have had a few responses to our call for expressions of interest from members of the community from the March and April Scribble – thank you so much for volunteering your time for this project. However, there's still time to get involved!

If you would like to register your name, please contact the Stansbury Visitor Information Office on 8852 4577, or email Diana at [tourism@stansburysa.com.au](mailto:tourism@stansburysa.com.au)

## **STANSBURY GOLF CLUB NEWS**

The winter season has started off well with the course looking great even if needing a little rain. Plenty of run for the not-so-big hitters. Competition days are Tuesday (10.00/10.30) for ladies, mixed social competition Thursdays 12.00/12.30 (community happy hour 4.00-6.00) and Saturdays for men 12.00/12.30 (women can play on Saturdays if they wish to).

Our first dinner in quite a long time was held on 28th April and was fully booked very quickly with some placed on the standby list. It is essential that all bookings are made directly through Bev Patterson (0472 763 032) as some requests coming through third parties may not reach me before the list is full. Once the list is full I can then take names and numbers if any cancellations arise.

We are still required to maintain social distancing even though other restrictions have been lifted so we need to keep a limit on our numbers.

Bev Patterson, Secretary.

‘Come, follow Me, and I will show you how.’ Matthew 4:19

When others don't see your potential, Jesus does. In common fishermen, He saw the capacity to change the world. Here is something you may not have considered: there are two sides to following Jesus—you believe in Him, and He believes in you.

## **COMMUNITY CRAFT AND FRIENDSHIP**

We will celebrate memories of our Mums and honour them on May 4th in as many ways as we can.

To our vintage, nothing says Mother like a pinny, so everyone is asked to wear or/and bring a pinny to hang on the line. A pinny with a story to share would be very welcome.

Keeping in step with our garden gurus, we are invited to bring a potted plant to sell (gold coin donation) to raise funds for our sponsored girl in the Philippines. Our motherly gesture.

Our ‘My Story’ segment has brought interesting connections, as we've shared 'snap shots' from our lives, and these will continue with our Mother's connections. Our group is a very diverse collection of lovely people from various walks of life.

We'll aim to have much of our Care-a-thon goods on display too, as sewing, crocheting, knitting are crafts many of us learnt from our mothers, and we're sure they'd be pleased with the way we are helping others, using those skills.

May 18th is our annual Care-a-thon handover day, and the work our ladies have produced for those in need is spectacular!!!!

All are welcome to join us 9.30 - 11.30 on May 4th and May 18th, at the Community Church. Enquiries Lynne Anderson 88524327

As from October we have been trialling delivering all meals frozen to clients, so at this stage there is no heating of meals required.

We are now heading into the months when many of us annually travel chasing the sun. Thanks to those who have given me the dates that you will be unavailable. It has still been necessary to give some of you multiple deliveries in the same month. I have tried to spread this around as evenly as possible - please swap with someone else if you are unable to do your allocated day. Contact me if necessary. Janet.

There are easy to follow directions at the centre so please always refer to these sheets if you are unsure of anything.

## **LIONS CLUB OF STANSBURY DALRYMPLE**

Thank you to everyone who supported our Easter Raffle for the flood appeal in the Eastern states.

Diana Sweeney, the Market Coordinator, drew the raffle. Winners were Orange A97 Christine, Orange D12Jan, and Orange D40 Dave. Over 300 tickets were sold and the proceeds will be forwarded to the Australian Lions Foundation that is working with affected communities.

Thank you to SYP Florists, Brundell Downs, Rustic Tarts, Blue Lime Deli and Stansbury Gourmet meats for their help and donations.

Last month, we provided the Stansbury CFS with a new air conditioner and had it installed in their Operations room. This should help to make conditions more comfortable for meetings, training and emergency situations. This group give their time and effort into helping our community, so it is one way in which our club can help them. Enjoy the comfort guys and gals.

As a club, we have just had an enjoyable bus trip to Corny Point to appreciate some of the history and scenery of SYP, as well as an excellent meal at the Howling Dog tavern. Sorry no surfing opportunities came up for one member who was well prepared. We don't always work to raise money; we do have some fun occasions as well.

Just a reminder though, that all money raised by the Lions Club is returned to the public in some way. No public money is used for any administration purposes.

If you are interested in finding out more about Lions at work in our town and area, contact Peter Gates at Dalrymple Motors and have a chat.

When it comes to matters of the heart and romance, making yourself vulnerable is part and parcel of the process. Love causes an opening of the heart and unfortunately some take the opportunity to play on those emotional triggers to open the wallet as well.

The scammer can make contact through an online dating service, social media or even a cold call 'wrong number' on the phone. Often they will put up a fake profile using a fictional name or will take on the identity of a real person. They will claim to be professionals or military working internationally to explain why you can't have a real life meet up. Aid Workers in the Ukraine are looking for love online right now.

Within a very short time they will express strong feeling of connection and love in a may bombard the victim with emails and text messages showering the victim with romantic loving words all while probing for information to use to exploit the victims weaknesses.

Once the scammer has obtained the victims trust the requests for money will start. Stories of misfortune or fleeting opportunities designed to appeal directly to the heart strings. It maybe a stolen wallet or a mugging preventing them accessing their accounts, a personal or family illness requiring expensive surgery, an investment opportunity or even being arrested and needing to pay off corrupt police to get out of jail. It may even be a request for funds to buy an airline ticket to meet up in person. SPOILER: They won't turn up....

Alternatively they may ask for intimate photos and then blackmail the victim threatening to send them to employers, family or publish them online unless the victim sends cash.

Another use for romance scam victims is as money mules where the scammer convinces the victim to move money through their accounts, leaving the victim to explain the cash movement to police, ATO or other investigators. Money laundering is a serious crime.

To identify a potential scammer look for some of the following signs

- Do a reverse image search on the pictures in the profile. Cross check the name and photo online to see if they match. Do they only have one or two photos
- Do they avoid opening a video chat?
- Does the information match the profile, eg does the profile match a professional native English speaker or is it full of bad grammar and spelling errors?
- Does the profile spread a wide net e.g. looking for partner 18-99yrs?
- Do they quickly want to take the conversation offline to text and email.

To protect yourself, follow the Golden Rules.

- NEVER send money to anybody online.
- DON'T share information re your financial position, bank accounts or other financial information with anyone online.
- Never send intimate photos to a person you have not met. In fact JUST DON'T share intimate photos of yourself with anyone at all. Today's partner is tomorrows ex and you wouldn't send intimate photos of yourself to your ex would you?
- Don't agree to money being deposited to an account in your name.

Don't be a victim. Stay aware online!

## **STANSBURY PRIMARY SCHOOL**

The last day of term 1 was an action-packed day with an invitation from Stansbury RSL to join them at the cemetery to place the Australian flags on returned soldiers' graves. It was a great opportunity to talk to the children about ANZAC day. A tradition, for which we thank Blue Lime Café, is enjoying an ice-cream on the back of the ute after all the flags have been placed.

Back to school for an Easter Egg hunt. You are never too old when chocolate is involved and it was a delight to see the children and even the teachers excited about their find. We finished the afternoon with an assembly, sharing and articulating our learning from the last part of the term.

Awards were received and the announcement of our newly appointed vice-captain Victoria Clark, was made.

Keep your eye out for our Mother's Day fundraiser, as per last year, bunches of flowers will be available for sale.

We are also looking for donations for an online auction to be held later in the term – all funds raised from both events will be used to subsidise the cost for children to attend the school camp in the Flinders Ranges.

Please contact the school or a governing council member for more information.

## **BLACKSMITH EVENT**

The Artist Blacksmiths Association held a weekend of forging in Stansbury on 2 and 3 April.

Although it wasn't widely advertised, as it was a trailer for a possible future event, it was bolstered by several locals who took the opportunity to showcase their own interests.

The event had vintage and veteran cars and a tractor on display plus two well-known residents with their stationery engines. The Humber Car Club visited and enjoyed the event and hospitality. A number of locals spent almost the whole day watching and interacting with us.

Two of SA's best Women Blacksmiths were in attendance and demonstrated their incredible skills.

In all, a very successful weekend and we look forward to staging a future event.

I would especially like to thank those people from Stansbury who helped us either in preparation or during the Event to make it such a great weekend.
