## **STANSBURY PROGRESS ASSOCIATION INCORPORATED**

It's certainly cooled down in the past fortnight and it's time to get out those flannelette sheets, rugs and toasty slippers and welcome winter. Warm fires, a glass of red, good company and crisp nights and mornings are all set to become our norm for a few months.

We have had a very busy summer and it's nice to slow down a bit, but it's lovely to still be seeing lots of visitors still on the Peninsula and visiting Stansbury.

Visitor numbers were steady at the Centre for May, and hopefully this trend will continue. Please note that the Visitors' Centre is not open on weekends until October. So, if you're wanting to come in and have a browse at our new range of zippered hoodies or new gift ideas, we'd love to see you, Monday through to Friday 9.30am to 4.00pm.

Our Visitor Information Centre has also had a facelift, with new signage installed a couple of weeks ago on the wall facing Weaver Street. Graham Klose and Barry Schilling did all the hard work getting the signage produced and installed. Adam Meyer (Adbe Photography) provided the wonderful drone shot of Stansbury and, I'm sure you'll agree, the effect on the building is fantastic. Come past and have a look and see if you can spot your house in the picture.

Thank you to Adam, Graham and Barry for all your efforts (and Ben at Bray Signs who made it all come together).

## **Stansbury Market – 16 July – Stansbury Institute – A Date for Your Diary!**

Plans are currently underway to hold a small winter market at the Stansbury Institute on 16 July, from 9am to 1pm.

More details will emerge over social media in the coming weeks – so keep your eye out on the Stansbury Visitor Information Office and Stansbury Progress Association Facebook pages to keep up to date!

### Jodi Lee Foundation Trek SA 2022 – Report from Kevin Forrest

The Jodi Lee Foundation Trek SA was held on Yorke Peninsula on 13 and 14 May, with trekkers walking a total of 38.5kms from Rogues Point to Port Vincent on Friday 13 May.

On Saturday 14 May, the Trek commenced at Port Moorowie and ended at Edithburgh. Kevin joined the Trek at Kemp Bay and walked the 26km to Edithburgh, arriving there about 5 hours later.

There were 176 entries for the event, although a few were forced to drop out because of Covid restrictions. One section of 4km was quite difficult due to the height of the tide forcing people up onto the softer sand and seaweed.

It was a successful event, raising over \$139,000 which will be used to run a Community Grants program in August. This program will allow Australians across the country to apply for grants to support their local bowel cancer awareness events. If you would like to donate to this worthy cause, you can do so up until the end of May at the link below:

<https://app.jodileefoundation.org.au/events/the-jlf-trek-sa-2022/participant/kevin-forrest>

With the support of several Clubs and Organisations as well as some very generous personal sponsorships, Kevin's team was able to raise \$2,230. At this stage, that is in the top ten of individual funds raised. Congratulations Kevin – a huge effort!

### **MEALS ON WHEELS ROSTER JUNE**

As from October we have been trialling delivering all meals frozen to clients, so at this stage there is no heating of meals required.

We are now heading into the months when many of us annually travel chasing the sun. Thanks to those who have given me the dates that you will be unavailable. It has still been necessary to give some of you multiple deliveries in the same month. I have tried to spread this around as evenly as possible - please swap with someone else if you are unable to do your allocated day. Contact me if necessary. Janet.

There are easy to follow directions at the centre so please always refer to these sheets if you are unsure of anything.

**Always check for updated 2022 covid advice on the notice board at the info centre.**

‘Come, follow Me, and I will show you how.’ Matthew 4:19

When others don't see your potential, Jesus does. In common fishermen, He saw the capacity to change the world. Here is something you may not have considered: there are two sides to following Jesus—you believe in Him, and He believes in you.

## COMMUNITY CRAFT AND FRIENDSHIP

Our Care-a-thon goods are on their way to people in need, and we were quite proud of the 63 beautiful quilts, 45 snuggly rugs, and 312 articles of clothing for adults, children and babies. Second Chances are still to collect their car load.

Clothes on bodies,  
Hats on heads  
Rugs on knees  
And quilts on beds.!

(This would've been longer/better if I hadn't been late with the report!)

And so we settle into warming ourselves with friendship and knitting/crocheting/sewing during the winter ahead. God bless you all.

## **LIONS CLUB OF STANSBURY DALRYMPLE**

We are moving steadily towards winter and a quieter time for our club as members take a well earned rest and perhaps find some warmer weather.

Thought it would be of interest to share a portion of a poem acknowledging Lions Clubs written by the late Jeff Cook – local poet extraordinaire.

### **The Local Lions Club**

By Jeff Cook

The Lions Club has been around  
Our town for quite a while  
They've twisted tails and funded things  
Raised money and a smile.  
They work for local charities.  
And enjoy the things they do,  
And though you may not realize it  
I bet that they've helped you

They're diligent and honest folk  
As sincere as you would find.  
With others there to back them up.  
They're caring and they're kind.  
Behind the scenes they do a lot,  
For individuals too,  
They have a lot of fun as well,  
Their mateship helps them through

In short, we all can see the good  
That Lions Clubs have done.  
We'd never fault the work they do,  
Or their spirit or their fun.  
So I'll call on you to show them all  
Appreciation for the years  
Of work they've done in your district  
For the Lions Club - - three cheers.

## STANSBURY SPORTS AND COMMUNITY CLUB (SSCC) UPDATE

**Sunday Funday** - The next Sunday Funday will be held on Sunday 17 July 2022 from 12pm – 5pm. The day will consist of a 'Games Day' incorporating 8ball, Table Tennis, Darts and a movie for the kids. Lunch will be available for purchase and the bar will be open. Stay tuned and monitor our Facebook page for further details.

**Projects** – Following the resurfacing of the Stansbury Courts, we have now installed the coaches boxes. These have been a great addition to the courts and look very smart. A big thank you to the hard working volunteers for having these completed in time for the netball season. Without the help of community members and groups, we would be unable to see these projects happen.

We were successful in obtaining funding through the AGL Wattle Point Wind Farm Community Fund for \$1,000 to purchase an automatic coffee machine. Coffee will now be available to purchase at our events. We thank AGL for the grant funding and look forward to serving up some freshly brewed coffee soon.

We have also been successful in receiving an additional \$5,000 of funding from AGL to assist with Refreshing the Community & Spectator Area at the Courts. This will complement the newly surfaced courts and recently built coaches boxes.

**Dog Issue on Oval** – We are still having some issues with dog owners not picking up after their dog on the oval. We don't want to discourage people using the oval to walk their dogs, but please remember to pick up after them.

## **STANSBURY MUSEUM**

Rowena Smith

### **Stansbury Museum has an extensive collection of dolls and toys**

Today, we know dolls as playthings for children. In some societies, dolls have also had significant roles in religious, cultural and magic practices. The oldest known dolls are ancient Egyptian wooden paddle dolls which were found in tombs –they are thought to have religious significance and were possibly used in ceremonies prior to entombment.

The earliest known toy dolls have been found in graves of children from Ancient Rome and stories from Ancient Greece mention dolls being played with by little girls.

Dolls tend to be made out of materials available locally – for example traditional Inuit dolls were made from soapstone or bone and dressed in animal furs and skins and poor people as early as the 16<sup>th</sup> century used wooden clothes pegs to make their dolls.

Story telling can be enhanced using dolls and historically dolls have been used to tell stories like the Nativity. For centuries, children have used dolls to tell the stories of their imagination. The museum has a very clever doll that tells the story of little Red Riding Hood. It incorporates Red Riding Hood, her Grandmother and the wolf all in one doll. There are also the Seven Dwarf dolls and seven dolls that illustrate the nursery rhyme “Monday’s child is fair of face”.

Costumed dolls depict their country of origin. There are dolls in the museum from Greece India, China, Mexico, Japan, Red Indian, Inuit, Pacific Islands, Russia, Wales, the Netherlands, New Zealand and New Guinea.

There are numerous types and styles of dolls displayed including baby dolls, rag dolls, Barbies, collectible licensed dolls eg Disney and Humphrey B Bear, peg dolls, Kewpies, clowns, gollywogs, teddy bears and corn dollies. Some of the dolls are beautifully displayed in wicker prams, push chairs, cradles and even a miniature bouncinette.

Examples of toys displayed are hand fashioned wooden guns, farm equipment and a carved wooden horse, an old tin top, a tiny tin motor cycle and rider, a wind up tin train engine, marbles, plastic cowboys and Indians, dinky cars, a children’s paint box, knuckle bones, board games and a tea set.

Come and relive memories of childhoods past!
