STANSBURY PROGRESS ASSOCIATION INCORPORATED

The beautiful autumn weather has arrived, with sunny days and cool calm mornings and evenings.

Visitors have continued to travel onto the Peninsula and into Stansbury during March, and with Easter, the school holidays and Anzac Day fast approaching, April is sure to remain busy.

The Easter Saturday market on 19 April from 9am to 1pm will be fantastic, with 70 plus stallholders and so much variety – it's a market not to be missed. It's our last market for the season, so make sure you get out and support the community. The next market season will open in October.

The 8th March market was a big success, with over 65 stallholders, including some newcomers, all reporting good sales. There was good attendance, and everyone appeared to be enjoying the atmosphere.

Thank you to Rob Tonkin, who raised \$354.30 for the Women's and Children's Hospital Foundation. A great effort, given that so many of us no longer carry cash on a regular basis.

Volunteers Needed – Stansbury Seaside Markets

We are again calling for interested members of the community to assist our current volunteers in the set up and early afternoon dismantling of road closures on Market Days for our next season (October 2025 to April 2026). Training will be provided. It's not a huge time commitment or a difficult job, and you would not be called on for every market – but we do need some extra hands to help out going forward.

Our markets would not exist if it wasn't for our dedicated volunteers, so it's essential that we get new people on board. If you are interested, and could spare 2 hours every couple of months, we'd love to hear from you. Contact Diana at the Stansbury Visitor Centre by emailing tourism@stansbury.com.au or calling 8852 4577.

Visitor Information Office

March has been busy month for the Visitor Centre. With more visitors this year, than last March, it is great to see people are calling into the centre when in town.

Our sales have been steady over the summer season, with many of the popular items selling out. We are busy restocking with some fantastic new products, as well as a variety of books, craft, jewellery, cards, baby gifts and produce all made by local suppliers.

With the cooler weather approaching, we also have a large range of fabulous fleecy zip jumpers, hoodies and jackets which are extremely popular.

Although we are a visitor centre, we aim to have something for everyone, so if you live in Stansbury, please make sure to call in and see us next time you are going past.

ANZAC DAY SERVICE

The Anzac Day Dawn Service will be held at the War Memorial, Stansbury foreshore at 6.30am. Breakfast will be available afterwards, at the Stansbury Soldiers Memorial Institute for anyone who would like to attend.

Photocopying and printing

As part of our Community Service the Visitor Information Centre offers small scale photocopying and printing at a reasonable cost. We can photocopy and print your A4 and A3 documents and laminate if required.

Due to the risk of contamination with viruses, we unfortunately can't print from personal USB's. Any electronic document needs to be emailed to front desk, and we will print for you. Preferred printing days are Wednesdays and Thursdays.

Please contact Hannah for prices and arrangements, Wednesday-Friday.

RECYCLING

To help keep our town beautiful and reduce waste the following recycling facilities are available:

Nespresso pods: Used **Nespresso pods only** can be dropped off at the Visitor Centre into the box located by the front door.

Paper/Cardboard: There is a large white plastic cube in the yard at the Visitor Centre (entrance off Towler Street). Dry, flat packed newspapers, magazines (both secured with string) and cardboard can be placed in this cube. If the cube is full, please leave the paper bundles under the veranda.

No hypodermic needles please.

Bottles and cans: Bottles and cans can be placed into the collection cages located around the town, or the blue and yellow bins in the caravan parks. Proceeds are distributed to the various local community groups and sporting clubs who participate in their collection.

Alternately Stansbury Recycling has a bottle and can depot for all your refundable items and glass bottles.

Printer cartridges: These can be deposited into the Planet Ark box located near the front door of the Visitor Centre.

Yellow Bin

As a reminder of what to put in the yellow kerb side recycling bin, we now have large fridge magnets from Green Industries.

Pick up your free magnet from the Visitor Centre weekdays 9.30am- 4pm.

Blister Packs

Empty blister packs can be dropped off at the Visitor Centre in our designated box. Blister packs only, no plastic bags or cardboard.

Battery Recycling

Battery recycling is available at the Stansbury IGA. Just ensure that the terminals have tape over them before placing in the box.

	Contributions can be sent to the following, by the 25th of the month.	
	Please send copies to both Chris and Progress

STANSBURY SPORTS AND COMMUNITY CLUB (SSCC) UPDATE

Ladies Day - Long Lunch held on Sunday 24th November 2024.

What an amazing day! Thank you to everyone that attended and supported our ladies day for Cancer Research. Our sponsors, our committee, our volunteers and our community, we cannot thank you enough. We raised a total of \$7109 towards Cancer Research.

It was a great day out, with lots of laughs, fun, friendship and a few tears. We look forward to hosting another event in the near future!

Projects –

We are excited to see two new projects completed at the Stansbury Oval. The installation of the new electronic scoreboard and the Tim Vince Training Facility.

The electronic scoreboard was installed and tested over the October long weekend at the cricket grand final and will be used during the CMS crows football season.

The other project was the installation of the Tim Vince Training Facility, which includes two full length training nets, fully covered in new synthetic turf, including bowler run ups. Also a new shed for ball machine and cricket storage.

Our next major project will focus on refurbishing the internal of the clubrooms with new flooring, lighting, painting and a new kitchen. We have been successful in securing a grant for the painting and lighting. This project will start soon.

STANSBURY COMMUNITY CRAFT & FRIENDSHIP

Last month some ladies enjoyed making a puzzle cube!
Now in April, Jan will show us how to make a little hat for a chocolate easter egg!
All that's needed is wool, an empty toilet roll and scissors! Have a head start for Christmas
by making Christmas coloured hats for round chocolates, to hang on the Christmas tree!

Also, we have available 200GSM wadding 150cm wide. Our quilters find it too thick for
sewing quilts, but would be ok for smaller projects. Let me know if you are interested in
purchasing some.

Come and enjoy friendship, a bit of craft, a think spot, and cuppa.

STANSBURY MUSEUM

In February, the Stansbury Museum committee were very pleased to host an early evening museum opening for the Stansbury Progress Association Committee and its employees. We were especially delighted to have the opportunity to showcase the museum to staff of the Visitors Information Centre. In their day to day contact with visitors to Stansbury, they are great ambassadors for the museum. The Stansbury Progress Association has, over many years, and in many ways, supported the Museum. We appreciate that and wanted to thank them. The Stansbury Museum is a very important town asset.

In March, as well as our Seaside Market Stall, we held a "Thank you morning tea" for our volunteers. I want to share with you, our Chairman, Carrol's welcome. I felt she covered so well all the different areas of volunteering at the museum. I have added some comments of my own in italics.

"Good Morning and Welcome to all! This is our first morning tea since COVID and is long overdue. This is our time to say "Thank you" to all our volunteers for the many different ways that they contribute to the museum. Time, as you are all aware, is a valuable commodity. That you are personally willing to share yours is very much appreciated.

The Seaside Markets, our major fundraiser, needs the most volunteers performing many different roles. Each role is as important as the other and together makes a good team. Without your help it would not be possible to keep the museum financially viable especially with rising costs. Other fundraising efforts include catering for the RSL ANZAC breakfast and our recent raffle.

We are lucky to have our talented male volunteers who always work on improving our outside areas and exhibits with occasional help from the Tidy Towns group and others. The Museum is kept in excellent condition inside and out. One of the most written comments is how clean and well maintained the museum and surrounds are kept. This is the result of the time and effort of many volunteers. We would not be able to receive visitors twice weekly at normal opening times, daily in January and for special events if we did not have people who regularly volunteer on our rosters. We appreciate your willingness to swap or help out at any time.

With any museum, there is never ending data entering, scanning photos, labelling, sorting and many aspects of recording and archiving new donations. *After being entered on our data base and photographed, each item needs to be displayed appropriately. It also needs to be presented in the best way so it may need to go into an acid free photographic sleeve, be encapsulated, go behind glass, hung in netting etc. This takes time and often needs consultation to ensure preservation of the object, display options, visitor experience and safety.*

The committee members are also volunteers. It is their role to keep the museum open, welcoming, accessible and viable. There is all the usual secretarial and business administration associated with running any organisation. It is a huge responsibility! *The committee also feels a great responsibility to preserve and honour the effort over many decades of the many former volunteers from the Stansbury community on whose foundation we build.*

Thank you to everyone for your continued support, for doing it willingly and making the museum a happy place to be a volunteer. Your commitment to the Stansbury Museum is very much appreciated"

The morning tea was relaxed, informal and fun with much laughter and lots of delicious food (thank you Ally, Jan and Lee). It was a successful get together of people with very different life experiences, backgrounds and ages, united in a shared purpose.

If anyone reading this, thinks they might be interested in volunteering with us, don't be shy, contact us and come and meet our team. I think that without exception our volunteering experience enriches our lives. No amount of time is too little. We'd love to meet you and have a chat. Call me, Rowena on 0407 188 689 or Carrol 0409 094 009. Look forward to hearing from you soon.

MARCH WITH THE RFDS SYP

It's been a big month for the RFDS SYP Support Group, with merchandise stalls at Edithburgh Markets, the Maitland AH&F Society Show and the Curramulka Speed Shear, along with a special donation presentation at Stansbury and recycling at Yorketown.

Following their Australia Day morning tea, the Lions Club of Stansbury Dalrymple made a very generous donation to our group. The formal presentation was held at the Stansbury Markets on 8th of March. Representing the Lions Club, Past President Jeff Brundell, and President Ron Duncan OAM who presented RFDS SYP President Joan Bannon with \$1500. It was a hat trick of presidential smiles all around, with

sincere thanks to the Stansbury Lions. A Certificate of Appreciation will be presented to the Lions in early April. Also attending the Stansbury market to see the presentation were two RFDS SYP members, Lee Nilon of Edithburgh and Alyck Smith of Yorketown. Pictured together, they represent the support groups' oldest and youngest members. Lee is not far from her 101st birthday, and Alyck, not far from his

20th. We were grateful to them for providing a unique photo opportunity. Another unique photo opportunity came with the presentation of a Certificate of Appreciation to the Maitland AH&F Society at their show day on 15th of March. Disappointingly, it was an extremely hot and rather windy time with stalls and visitor numbers down on last year's event. However, our group was there to support the RFDS flight simulator, which proved popular with show goers. Joan presented the certificate to the Society President, Nicholas Rodda, in

recognition of their supporting us at their wonderfully organised event. We thank all those involved. The same must be said for the Curramulka Speed Shear held on 22nd

of March. Once again, Joan was able to present a Certificate of Appreciation to Greg Agnew, organiser of the Speed Shear and Chairman of the Curramulka Community Association for the support we received. The day was most successful with the Lucky Dip selling out.

Finally, hats off to committee member Julia Harvey of Yorketown for her huge efforts with DH Recycling, which continues in Don Hughes's name. The first load was delivered to Modra's at Stansbury in January. But the load delivered on 20th of March was double the size! The photo on the left was taken by Michael Hughes, Don's nephew on the occasion of Don's last delivery in October last year. It's our volunteers who make it all worthwhile. Three cheers to all those who have given in so many ways through the month of March.- Joan, Rob, Shirley, Lyn, Julia, Evert, Julie, Toni and Soxy.

Coming up: Corny Point Easter Sunday, Walk the Yorkes and more. Stay tuned for our next instalment of ... "From the Archives 2". Coming soon.

CHI KUNG (QI GONG)

Chi Kung is a gentle form of energy practice. It is a beautiful flowing combination of movements and breathing techniques that stimulate energy flow and help promote your natural resiliency to stress and illness.

Chi Kung is held in the Institute supper room, entry via the side nearest the Post Office Monday mornings, **except public holidays**. Registration at 10.45am and gentle Qigong exercises commence at 11am. All welcome, wear loose, comfy clothes. Cost is \$3.00.

Please note that we are not a professional organization, rather a “Young at Heart” group encouraging others to participate in gentle exercise.

EVERYONE WELCOME

STANSBURY PRIMARY SCHOOL

You may have heard us on the town oval early in March. We were having our combined Small Schools Sports Day. We haven't hosted for some years, so we were very excited that we were on home ground.

It was a very windy day but that did not stop the sportsmanship, community spirit and collaboration between Curramulka and us. We invited Chelsea Biddell to open the day, and she gave us words of wisdom about the importance of healthy habits.

The Lions provided lunch for the learners and educators, for which we were very grateful. With some personal bests broken all children tried their very hardest at being the best they could be.

Thankyou to all who cheered us on and supported our fun and successful day.
