STANSBURY PROGRESS ASSOCIATION INCORPORATED

It's that most wonderful time of the year – Christmas and school holiday time!

The summer weather is slowly on its way, and we extend a warm welcome to all our visitors over the next 2 very busy months. Stansbury and the wider district certainly hope you enjoy your stay with us.

This issue of the Scribble has all your information on church services, community groups, Visitor Centre opening times and the huge New Year's Eve Seaside Market and Fireworks Display. Be sure to check the noticeboards at the Stansbury Institute and Visitor Information Centre, as well as store windows for further details regarding scheduled local events.

Don't forget the Stansbury Visitor Information Centre for your Christmas gifts. We are stocked with so many lovely and affordable gifts that would be suitable for Teacher gifts, Secret Santa gifts, or that stocking filler for someone special.

The Centre is open Monday to Friday 9.30am to 4.00pm. Saturdays, Sundays and some Public Holidays from 9.30am to 12.30pm. It will be closed on Christmas Eve from 1pm and will re-open 9.30am Friday 27 December 2024. The Centre will be closed on Christmas Day, Boxing Day and New Year's Day.

Christmas Lights Competition. Closes Friday 13th December 2024 at 4pm.

It's that time of year again when the Progress Association offers a \$100 prize to a lucky resident in the Christmas Light Competition 2024. Entry forms are now available from the Visitor Information Office and will need to be completed and returned by Friday 13 December 2024 (by 4pm). Winner will be announced Monday 16 December 2024 and will be notified that day! So get your creative caps on Stansbury, and light up the town for the festive season.

Remember, it's a random draw, so don't be discouraged from entering if you haven't got bucket loads of money to spend on decorations or lights – it's all about getting into the Christmas spirit, making the town look amazing and have some fun.

Swimming Pontoons – Community Notice.

Public Liability insurance is no longer available to any entity for the purpose of insuring pontoons. As such, the two swimming pontoons which are usually installed in Oyster Bay over the summer period, will not be put in place this year.

It is acknowledged that this is disappointing for both our local community and the many visitors who enjoy access to the pontoons over the summer. Communication with Yorke Peninsula Council and the Insurer is ongoing and if the situation changes regarding the availability of appropriate insurance, the decision will be reconsidered.

Thank you for your understanding on this matter.

IMPORTANT DATES FOR YOUR DIARY.

Christmas Parade. The tradition of the Christmas Parade continues this year on Christmas Eve (Tuesday, 24 December 2024) from 5.30pm, starting from the CFS Station in Towler Street. Santa and his Elf will travel through town and the two caravan parks, onto Gulfview Rd, Mills Gully, then to the top of the hill and down to the IGA to arrive around 6.15pm to 6.30pm. Make sure you're positioned along the route and get to the IGA before Santa as he will be giving out some awesome giveaways to all those who have been nice and not naughty throughout 2024! Come and take part in the parade or line the streets for some traditional Stansbury Christmas fun.

New Year's Eve Market. Tuesday 31 December 2024 from 9am to 2pm on the Foreshore. Stay throughout the afternoon and find your viewing spot for the family friendly fireworks from 9.30pm.

The market will be full of your favourite stallholders, plus many more, with a couple staying on to trade throughout the afternoon and evening.

The spectacular fireworks will be happening from 9.30pm.

For information on the markets, including updates and cancellation advice, please like our Facebook pages: Stansbury Seaside Markets, Stansbury Progress Association, Stansbury Visitor Information Office and Stansbury Caravan Park.

Market dates can also be found on our website www.stansburysa.com.au

THANK YOU. Working Bee – 3 November 2024.

Thank you to all who turned out for the working bee organised by Progress on 3 November 2024. The team gave up their Sunday morning and worked hard cleaning up the foreshore beach of rocks and debris and left it looking fabulous.

Thank you to everyone who pitched in and gave a hand!

THANK YOU - Scribble Volunteers.

As this is the last Scribble for the year, on behalf of the Stansbury Progress Association, heartfelt thanks are extended to Chris Duncan and Janet Jolly for the time and effort they put into editing and producing this newsletter for Stansbury every month. It would not happen without them, and their time is always graciously given. Thank you ladies.

TOWN LIGHTING.

Stansbury has numerous locations where there are safety lights installed (all solar) which are activated at night. These lights are in the following locations:

- Mills Gully.
- Centenary Park.
- Pine Park.
- Shelter Shed on the Foreshore (with the mosaic pelican) and the Shelter Shed at the Jetty (Murray's Vision).
- Town Entrance Sign.

Please note that, as these lights are all run on solar, at times they may appear to not be working in the early hours of the morning, particularly if the day prior has been cloudy and the sun has not had a chance to re-charge them.

As these lights are the responsibility of Stansbury Progress, if you notice a problem with any of them, please contact the Stansbury Visitor Information Centre and one of the ladies will pass the message onto Tidy Towns to rectify.

MERRY CHRISTMAS AND HAPPY NEW YEAR.

The Stansbury Progress Association Inc. wishes everyone a very Merry Christmas and good health, joy and happiness for the year to come. See you in 2025!

I can't believe that this is the last Scribble for the 2024 and Christmas will be here soon. As well as a time for celebration, it is a time of reflection, of family, of holiday, of tradition and of memories of times past. Christmas has been celebrated for many hundreds of years.

The heart of Christmas is a religious celebration and over the years it has been surrounded by many traditions, religious, secular and commercial. It is part of our cultural heritage. It is no surprise then that there are some museums in the world devoted solely to Christmas.

In Rothenburg, Germany, the Christmas museum highlights the origin and development of German Christmas customs and displays historic Christmas trees and ornaments. The whole town embraces Christmas and has a reputation as the "Christmas capital of Germany" –It has a shop devoted entirely to Christmas and also has a Christmas market. In Salzburg, Austria, the Christmas Museum has exhibits of cultural and historic interest relating to Christmas from 1840 to 1940.

This year, several museums in London have specific events relating to Christmas including the Charles Dickens Museum. On Christmas Eve, the museum will be decorated in Victorian style and adaptations of Dickens famous "A Christmas Carol" will be playing whilst visitors are served mince pies and mulled wine.

I'm sure many of you can visualise the fire crackling in the hearth and the antique cards on the mantle piece, the holly and ivy and paper chain decorations festooned above and the sound of carollers in the background.

The United States even has several Santa museums (one boasts almost 5,000 Santas) which as well as focusing on Santa also features other Christmas themed displays of ornaments, music boxes, artwork and photos from all over the world.

Australia's only Christmas museum is in Sydney. It is at Nativity House, Horsley Park and uniquely over 600 nativity scenes from 60 different countries. In different styles the nativity scenes are made from many materials, from luxurious silk and precious metals to humbler but easily available materials like maize leaves, wood shavings and shells. It also has displays of antique Christmas cards and paintings.

My personal wish for Scribble readers' is to experience the peace and joy of Christmas throughout the year.

CHRISTMAS SURVIVAL GUIDE – *For Those Struggling*

Christmastime can feel overwhelming, especially if you're living with suicidal thoughts. Remember, you don't have to face this time alone. Care for yourself with these tips:

1. Prioritize Your Well-Being

Your mental health is important. Take breaks when you need them. Listen to your emotions without judgment to acknowledge how you're feeling.

2. Practice Self-Care

Give yourself permission to slow down and focus on the basics. Taking care of yourself is a victory.

3. Let Go of Perfection

Let go of the idea of the "perfect" Christmas and focus on works for you. Taking care of your emotional well-being is more important than trying to meet societal or family pressures.

4. Seek Support

If you're with friends or family, share your feelings with someone you trust. If alone, connect with others – message a friend, join a community group, or call a helpline.

5. Create a Safety Plan

If suicidal thoughts become intense, contact a friend, family member, or a crisis line (see below). Write down reasons to hold on, and keep this close by so it's there if needed.

6. Celebrate Small Wins

Focus on surviving and honouring the little things – getting out of bed, eating a meal, or reaching out for support. Acknowledge it takes strength to keep going.

Regional Crisis Support Services

- Lifeline Australia: 13 11 14
- Suicide Call Back Service (National): 1300 659 467
- Kids Helpline (Ages 5-25): 1800 55 1800

If you're in immediate danger, call 000 for emergency assistance.

You are not alone. Reaching out for support and taking things one moment at a time can help. Your life matters, and there is help available.

STANSBURY SPORTS AND COMMUNITY CLUB (SSCC) UPDATE

Ladies Day - Long Lunch

The inaugural Ladies Day for Cancer Research event was held on Sunday 24 November 2024. We received a great response with over 80 ladies registered to attend the day. The day was a great success with lots of laughs, fun, friendship and a few tears. We raised a total of \$7109 towards Cancer Research. We could not have done this without the support of our sponsors, committee members, volunteers and the community. Thank you for your support.

Christmas Event

The Committee has made the decision to not hold a SSCC Christmas Event this year.

Projects

The Stansbury Sports & Community Club were lucky to receive funding through a grant for Strengthening Rural Communities Grant offered by the Foundation for Rural Regional Renewal. The project was repairing the internal Salt Damp effected walls. Next task will be to paint the areas after a period of time when the areas are completely dry. We are grateful for 10k funding received from FRRR, along with donations from the Stansbury Progress Assoc & the Stansbury Senior Citizens to go toward the cost. We have many projects needing attention with limited funds, funding & donations help achieve what is required as part of our Strategic Plan.

STANSBURY BOWLING CLUB

Since the start of the season we have been enormously busy at the bowling club. We have had the privilege of assisting in farewelling and celebrating the lives of three wonderful men, hosted two tournaments and a community wellbeing evening, been able to squeeze in Friday Night Meals as well as getting 5 x Pennant teams on the greens each week. It takes a huge number of dedicated volunteers to make this happen and we are fortunate that so many of our members are so community focused.

BINGO is always extremely popular and it is fantastic that Rob Tonkin, Bev Sando and their wonderful helpers, along with our amazing 'Bar Team' are geared up for 3 x sessions in early January. Put Tuesday 7th, 14th and 21st in your diaries if you are keen for a game! All ages are welcome. Look out for flyers around the town or posts on Facebook late in December for details and how to book

We are fortunate to have won a grant totalling \$3238.00 as part of the YP Council Community Grant allocation for 2024/25. This will go toward the purchase of replacement outdoor furniture and bar stools both of which are were high on our priorities on our 5 Year Plan and our focus on continuous improvement at our club.

All community members and visitors to our town are welcome at the club whenever it is open. Have a roll (at any time), a drink or a meal (Friday Nights in Bowls season) or better still come and learn how to bowl!

Margie Dodd
Secretary

BINGO AT THE BOWLS CLUB.

STANSBURY BRIGADE

I always wanted to join the CFS because I had family in the CFA in Victoria. I was raised to believe it's important to help others and give back to the community. My work as a FIFO limits my time, but when I am home I can be available to attend as many callouts as I can.

I have been with Stansbury CFS for around 7 years now - I started as a basic firefighter and truck driver, and with experience and a bit of extra training I have become First Lieutenant in the brigade and still one of 3 remaining truck drivers. I have taken opportunities to join strike teams at major incidents, including the Cudlee Creek fire, the biggest fire I've been to. Other than fires I have been to incidents from helping the Ambulance Service, extreme weather events, and also car accidents.

One of my CFS responsibilities is to welcome and encourage new recruits, providing guidance and mateship as they learn. At this present time Stansbury CFS needs more volunteers to share the load.

If it's not you, then who will be there for emergencies in our community?

Volunteer Now

Stansbury Brigade needs more members. There are many different CFS roles.

Join our team today!

As part of the Remembrance Day commemorations the Primary School students placed Australian flags on graves of the returned servicemen in the cemetery. The activity proceeded very smoothly with great enthusiasm from the children who all received an ice cream after the work was done.

The ceremony on Remembrance Day at the cenotaph was well attended by about 100 people with some of the students forming a guard of honour. This was Peter Bilney's final service as padre, a role he has carried out for over 20 years at both the Remembrance Day and ANZAC Day commemorations. The RSL is most grateful for his many years of excellent service. The Sub-Branch is currently preparing for an end-of-year barbecue for the Primary School. This is a new initiative and is intended to become an annual event. The Sub-Branch meets in the Soldiers' Memorial Institute on the second Thursday of each month. Ex-Service personnel and others are welcome to attend. Contact Mark McKenna at markmck10@bigpond.com for further information.
