STANSBURY PROGRESS ASSOCIATION INCORPORATED

Happy 2025 everyone!

We say a sad farewell to all the visitors who have been here over the Christmas and January School holidays. Stansbury and the Peninsula have been full to the brim with holiday makers, out and about enjoying the most spectacular summer weather. We hope that you've all had a wonderful holiday experience over the time you spent with us in our little piece of paradise.

We now welcome our next wave of regular visitors to Stansbury. Many of these lovely people visit each year to enjoy the warm, calm weather that February and March will hopefully deliver!

MARKETS UPDATE.

Our **New Year's Eve** market was wonderfully supported by stallholders and patrons. The weather was perfect, and many families enjoyed strolling through the market and wandering along the foreshore in the glorious conditions.

Rob Tonkin, who once again this year is busking for a cause, raised \$619.30 for the RFDS. Wonderful effort Rob.

The family friendly 9.30pm fireworks were honestly spectacular. Again, this year, pyrotechnician Sean threw in some special, not used anywhere else on the Peninsula, water hugging fireworks and huge rockets which make Stansbury's fireworks the must see on NYE. Thank you again to Sean and his team, they really go the extra mile for our town.

Our last market was held on **25 January** and was part of the Australia Day Long Weekend. It was another picture perfect summer's day, and the steady crowd enjoyed wandering through the 70 plus stallholders. The Lions Club held their annual raffle and a great day was had by all.

We still have two markets left in our season – **March 8 (Long Weekend), and April 19 (Easter Saturday)** – both 9am to 1pm. Be sure to mark these dates down in your diaries to come along and enjoy some lovely Autumn sunshine and browse our fantastic markets.

CONGRATULATIONS.

Congratulations to Marg Payne who was the winner of the 2024 Christmas Lights Competition which was randomly drawn at the Visitor's Centre the week prior to Christmas. Thank you to everyone else who entered, and a big well done to those who took the time to put up lights and decorations on their property over the Christmas/New Year season – it gave the town a glittery festive glow!

Continued on next page.....

THANK YOU!

A huge thank you once again to those who participated in our annual Christmas Eve Parade. Thanks to Craig Farrow, Shanina Anderson and Tony Volk for making it all happen, and of course, all the participants in the parade. Thanks to the IGA for their annual donation of treats for the kids, and the township for getting out there and supporting this well-loved tradition in Stansbury.

CITIZEN OF THE YEAR.

One of the most important yearly events for Stansbury is the presentation of the annual Citizen of the Year. This award was presented at the Australia Day Morning Tea which was organised by the Lions Club of Stansbury Dalrymple, and proudly sponsored by the Stansbury Progress Association. The Stansbury Citizen of the Year honour is awarded to a person (or persons) who has been selected from the nominations submitted by a member(s) of the community for that year. Delegates from the Lions Club and Progress Association are tasked with choosing the worthy recipient from the submitted nominations. Although only one award is granted per year, Stansbury is very lucky to have so many people who are recognised for their efforts and nominated by their fellow community members for consideration as Citizen of the Year.

Together with the Lions Club of Stansbury Dalrymple, the Stansbury Progress Association is happy to announce that the winner of the 2025 Stansbury Citizen of the Year is Ted Buttfeld.

Ted has been a volunteer in the town for many years, dedicating his time to many community groups including Meals on Wheels, the Stansbury Museum, the Stansbury Institute, the Crocodile Club, Stansbury Tidy Towns and of course, Stansbury Progress Association.

He has also formerly been the president of the Stansbury Football Club and served for 10 years on the Elanora Southern Yorke Peninsula Homes board, including as chairperson.

Ted was a member of the Stansbury Progress Association for 18 years until July 2024, serving as chairperson for 11 of those years.

Ted's contribution to the town of Stansbury has been ongoing for 45 years. He has dedicated his time, physical work, generosity and good faith throughout those years and continues to do so today. He has contributed to the community in so many ways, and his deep commitment to the town of Stansbury, its community and his historical knowledge of the district is invaluable.

Congratulations Ted! A very worthy recipient.

FLAG PROTOCOLS AND COMMUNITY NOTIFICATION

Typically, following a person's passing, an email is sent to the relevant community to notify them of the passing, followed by the flag being lowered to half-mast. Most families are comfortable with this process. However, on rare occasions, due to the sensitive nature of a passing, we may choose not to follow this protocol. This decision is made in consultation with the grieving family.

We all cope with grief differently and our goal is to support families in a way that respects their needs.

Thank you for your understanding and the care that you provide to your community.

GREY NOMADS' GENEROSITY

The SYP group gratefully received a large donation mid-year, from Terry and Faye Parsons of Hallett Cove. Terry and Faye were long-term members of the SYP community, before retiring to caravan around our beautiful nation. They took it upon themselves to raise funds for the RFDS with a series of caravan park dinners, BBQs, morning and afternoon teas. The President, Treasurer and Secretary attended Watsacowie Brewery, Minlaton to present our Certificate of Appreciation to them, complete with Fletcher Hughes' wonderful artwork.

RSL

Stansbury SA

The Sub-Branch has continued to enhance the surroundings of the Cenotaph to commemorate those who left Stansbury and surrounding districts to join other service personnel in the defence of our freedom. In addition to the seats inside, three plaques have been fixed to the memorial's wall representing the three arms of Australia's Defence Force.

Prior to the end of term members of the RSL hosted a barbecue for the Primary School's children and staff to show our appreciation of their support and interest over the last year. We believe it is important that our children understand the significance of our history, customs and traditions as it will be up to them to ensure their continuation into the future. The RSL is grateful for this support and we anticipate furthering this connection in our activities.

The Sub-Branch meets in the Soldiers' Memorial Institute on the second Thursday of each month. Ex-Service personnel and others are welcome to attend. Contact Mark McKenna at markmck10@bigpond.com for further information.

STANSBURY MUSEUM

Thank you AGL Wattle Park Wind Farm Community Fund

The committee of the Stansbury Museum would like to extend our thanks and gratitude to the AGL Wattle Park Wind Farm Community Fund 2024/2025 for approving our application for a grant to purchase 3 pedestal fans to assist with air movement and cooling in our large rear shed. Our visitors and volunteers are already appreciating the difference that they are making.

I didn't ever anticipate choosing underwear as a topic for a Scribble article but my attention was grabbed when I was researching an old advertising display board that was donated by a regular visitor to the Stansbury caravan park. It shows a young woman in a peach coloured bra made by Maiden Form and is dated 1939. It ties in seamlessly with other peach coloured lingerie of a similar vintage in our clothing display. The bra is advertised as having "an adjustable back and precision fit for young figures".

Maiden Form was a company established in 1922 in Bayonne, New Jersey USA (later known as Maidenform). It was formed by a shop owner, the seamstress who worked for her and the seamstress's husband who interestingly was a sculptor. They wanted to improve the look of the dresses they sold, which were a contrast to the then current "flapper" style. Instead of the flattened flapper style, their dresses followed the natural shape of a woman's figure so a bra which supported and conformed to the breasts was needed. This successful company which still exists today exported to 115 countries including Australia where this advertising display board was used in a shop.

As an aside, the museum has a wonderful example of beaded flapper style dress –come and be amazed at the number and weight of the beads that adorn this dress.

Yet another historical aside, during World War 2 this company switched their manufacturing in order to contribute to the war effort and to use their expertise to make parachutes and pigeon vests. Whilst "pigeon vest" might conjure up all sorts of fun images in our minds, they had a very serious purpose. They were worn by paratroopers to transport pigeons on their chests. When they landed in a war zone, they released the pigeons to carry messages, sometimes behind enemy lines and under fire.

Some of these pigeons are credited with saving lives and were awarded medals. Two Australian pigeons were awarded the Dickin medal (often called the Victoria Cross for animals) for carrying messages in the Pacific during WW2. Their communication enabled help that saved the lives of a patrol surrounded by the enemy and under heavy fire and the crew and vital cargo on a ship that was floundering during a severe storm.

This article in some ways seems an odd topic but I think it illustrates how change and adapting create innovation.

Seeing and understanding how and why things develop are important aspects of history and are so interesting.
