## STANSBURY PROGRESS ASSOCIATION INCORPORATED

And just like that, July is done and dusted. Despite the cold weather and no fishing in the Gulf, visitor numbers recorded in the Visitor Information Centre, remain the same as last year's numbers. It is certainly good to see that travellers are still visiting our region and enjoying the beauty of Winter on the Yorke Peninsula.

### **Visitor Information Centre**

The Centre is still your one stop shop for gifts, produce and Stansbury merchandise. If you are feeling the cold, drop in and check out the variety of jumpers, fleece jackets and beanies. Did you know that the Visitor Centre offers small scale photocopying and laminating at a reasonable cost? Due to staff capacity, we prefer that any larger job is done Monday to Wednesday.

#### **Monday 4 August 2025 - Stansbury Institute Supper Room**

The Annual electors Meeting is scheduled for 4 August 2025, 7.30pm at the Stansbury Institute. All are welcome to attend.

The nominees' names for the vacant positions on the committee are displayed on the Progress Association's noticeboard at the Institute Hall and their profiles are displayed in the window of the Visitor's Centre.

### **Stansbury Progress Association – Annual Dinner.**

The Progress Association's Annual Dinner to thank our committee members who volunteer their time to the Association was held on 22 July 2025. Thank you to the Dalrymple Hotel's management and staff for the beautiful dinner and service.

### **Holiday Craft Sessions**

The July School Holidays marked the return of kid's craft sessions to Stansbury. Over 2 afternoons, 13<sup>th</sup> and 20<sup>th</sup> July 2025, we invited children in Stansbury, both resident as well as visitors to join us for some crafty creations in the Stansbury Caravan Park Camp Kitchen (nice and warm in Winter). The participating children created beautiful glitter dolphins and some cheeky mice out of coloured cardboard. Stay tuned next school holidays for more crafty fun!!

### **Seaside Markets**

With only 2 months until the first of our 2025-2026 market season, it is full steam ahead with planning and preparation. We are in the process of formalising our new look registration form to send to all registered stall holders. We can't wait to see how the October long weekend market shapes up. Stay tuned.

## New Staff Member

The Progress Association is pleased to announce the appointment of Sarah Rawlings who has taken on the role of Markets/Administration Coordinator.

Sarah was the former owner of The Coffee House in Ardrossan, which she proudly created and grew over 9 years before passing it to the current owners in December 2024. She is excited to step into her new role for the Stansbury Seaside Markets and looks forward to bringing the same passion and community spirit to this vibrant town.

She is passionate about tourism and loves celebrating the beauty, culture, and community spirit of our coastal towns. Whether it is promoting local events, supporting small businesses, or helping visitors uncover hidden gems, she's here to help Stansbury shine.

Sarah is mum to three children. On weekends, she loves exploring our own backyard with day trips and weekend stays across the Yorke Peninsula. She looks forward to meeting the locals as she settles into her position.

The annual **Whole Town Garage Sale and Indoor Market** proved to be a success once again. There were 8 individual garage sales spread across the town and 8 stall holders in the Stansbury Institute plus a crown making station for the kids.

Although vendors and stall holders reported that they could have made better sales, everyone seemed to enjoy the day. The weather was mild and sunny and lots of people were seen walking around the streets visiting the various garage sales. The number of attendees on the day is estimated to around 300 (our volunteers handed out 145 maps) and visitors came from all over South Australia.

Thank you to the Stansbury Lions for once again providing tea/coffee with delicious scones.

The Children's Fairy Tale Art display attracted a fair bit of attention from visiting patrons. It was lovely to see how much effort the local children put into this annual opportunity for showing off their creativity. Thank you so much to the local businesses who generously donated prizes to all artists.

## TAI CHI - IN -BETWEENS GROUP

On the 8th of July the Group welcomed Eliza Taheny from Mildwaters Byrth Lawyers & Conveyancers as their Speaker. She gave a very informative talk to 48 people on things to consider when making a Will, Power of Attorney and Advance Care Directive.

Quite a number of questions followed and Eliza was able to advise people on the best way to address their concerns. After the session, 36 of the Group enjoyed lunch at the Blue Lime Café.

Our next outing is to Ducatoon Horse Stud near Kadina on the 18th September. Further details in the September Scribble.

Everyone is welcome to these outings.

## VOLUNTEERS NEEDED FOR SEASIDE MARKETS.

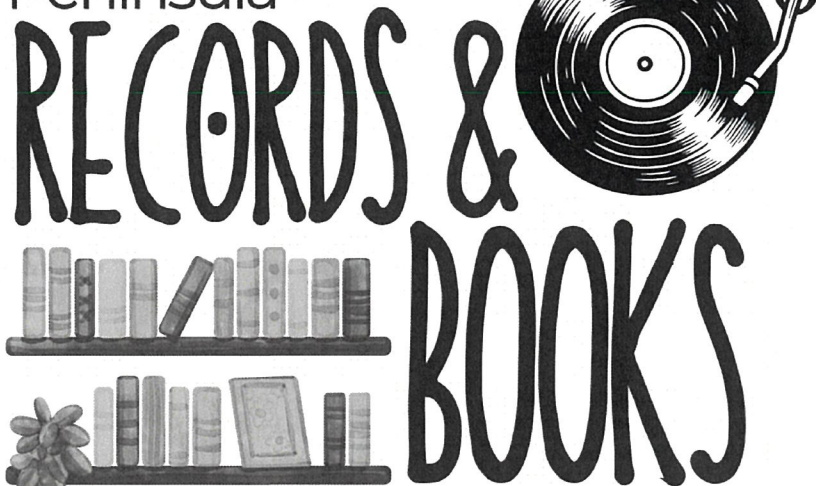

The Stansbury Museum has provided a sausage sizzle stall at every market since they began, but unfortunately due to our ageing volunteers, this year will be a struggle to continue.

We are desperate for help with manpower to erect and dismantle our site. There are other areas where your helping hand, for an hour or so, would be greatly appreciated.

If you can help in any way at all, please contact Carrol 0409 094 009 or Rowena 0407 188

## **STANSBURY SPORTS AND COMMUNITY UPDATE**

**Thursday night meals at the club** - Thank you to the community that supported us by coming for a meal on a Thursday night. It was great to see some new and old faces around the club. We enjoyed having you all at our new refurbished club rooms and look forward to seeing you all next year. A big thank you to all the volunteers that helped to make these nights a success.

**Projects** – The refurbishment of the clubrooms has been completed. We are very happy with the final result and will continue to undertake upgrades to make our clubrooms even better!

Our next major project will focus on refurbishing our kitchen. We will continue to apply for grants and continue fundraising, but if you would like to donate towards this project it would be greatly appreciated.

**Paskeville Field Days** - One of our big fundraising events is our seafood stall at the Paskeville Field Days. This is coming up again at the beginning of October and takes a large amount of time and effort from our committee to run this. We are seeking volunteers that would be willing to offer a hand at this event to assist with serving and preparation. If you are interested, please get in touch with Julie Harris on 0417 832 639. It is always a lot of fun and some great people to work with.

### **THANK YOU**

In much appreciation for the care and support from the Stansbury community in relation to the passing of my dear partner Ian McEwan on 11th July.

Flowers, cards, messages, meals and offers of help were most comforting to me and Ian's family during this difficult time.

Sincerely, Jan Henery

*Thank  
You!*

## **STANSBURY MUSEUM**

Rowena Smith

I was recently reading a collection of letters relating to the apprenticeship of a 16 year old boy from London to a farmer in the Stansbury area under the Barwell scheme. It set me thinking about the contribution this lad named Maurice and his descendants had made to the Stansbury community.

Over the years and indeed it continues today, Stansbury has been settled by people of many nations and cultures. Each brings their own unique skills and contribution to the community. Take for example, Pastor Christian Gottlieb Teichelmann who came with his family to Stansbury in 1872. This fascinating man was born and educated in Germany as a carpenter and then as a Lutheran missionary. As one of the first missionaries to come to South Australia, he worked amongst the Kurna Aboriginal people of the Adelaide Plains. In 1841, he famously co wrote with a colleague, a unique book of their language which is lauded as the most comprehensive documentation of the Kurna language of the time.

When he came to Stansbury, he built the first shop in Stansbury selling flour, sugar etc and he also acted as the first Post Master. He started the first Sunday School in his own home. He was a founding member of the Stansbury Methodist Church and laid the foundation stone in 1877. His descendants live in Stansbury and surrounding areas today. Even Stansbury "locals" originally came from elsewhere.

Stansbury Museum is great place to discover more about how our community has been enriched in so many ways by people from all over the world. A good way to get to know about many of these interesting people is to volunteer at the museum and immerse yourself in the history of Stansbury.

The Stansbury Museum Annual General Meeting  
will be held at the Museum

Members of the RSL will observe Vietnam Veterans' Day on Monday 18th of August by laying a wreath at the Cenotaph. Members of the public are also welcome to attend at 10.45 but please remain off the road to maintain a safe situation.

On that day in 1966 105 men of D Company 6BN RAR held a position against massively greater odds in the Long Tan Rubber plantation in Pho'u'c Tuy Province in South Vietnam. D Company lost over one third of its strength and eighteen brave young Australians died.

The Sub-Branch meets in the Soldiers' Memorial Institute on the second Thursday of each month. Ex-Service personnel and others are welcome to attend. Contact Mark McKenna at [markmck10@bigpond.com](mailto:markmck10@bigpond.com) for further information.

## LIONS CLUB OF STANSBURY DALRYMPLE

In July our Lions Club celebrated another year of service to our community. We held our annual Handover in the Stansbury Golf Clubrooms. Thank you to the Golf club members for catering for the excellent lunch.

Outgoing President Ron Duncan OAM thanked all members for their efforts in the past year, as well as acknowledging the years of service by deceased members, Jake Kennedy, Greg Shaw and Shirley Monaghan.

He also mentioned that during the past year, the club had made donations in excess of \$14,000 to our own community and the wider Lions projects. One of the highlights for the year was the visit from the Lions Skin Cancer Screening Unit. A visit well supported by the locals with some referrals made for further investigation.

Our Club Officers for the coming year are :-

President Mick Strawbridge,  
Treasurer Beth Faulkner

Secretary Chris Duncan,  
Membership Chair Peter Gates.
